MOTION CARRIED

DISCUSSION:

Dr. Tyler asked that the minutes reflect his objection to Kathleen Creason's comments on the MUA discussion.

Mr. Conran stated that anyone coming to a public meeting should be able to state their opinions without being chastised by the board. Mr. Conran said it is incumbent upon the Board to welcome any public comments whether the Board agrees with the comments or not.

Dr. Lubkin said since he has been on the Board, the Board has always encouraged and welcomed public comments.

Dr. Columbu suggested that the minutes reflect more details of the discussion to ensure nothing is missed. Dr. Columbu offered an example of the comments made at the March 1, 2007, Board meeting. Mr. Conran offered to take this item up in the Government Relations Committee.

PUBLIC COMMENT:

Mr. Conran announced that Mr. David Prescott died and that he was deeply saddened by his passing and recommended that the Board send a letter to Mr. Prescott's family expressing the Board's appreciation for his tireless work on behalf of the profession.

Dr. Lerner agreed about the letter and expressed his sadness over Mr. Prescott's passing.

Dr. Lubkin asked that all Board Members have an opportunity to sign the letter.

Board Member training on the Bagley-Keene Open Meetings Act and other relevant laws.

Ms. Powell just returned from family medical leave and did not have a topic for this meeting. Ms. Powell stated she has discussed and trained the Board on every aspect of the Bagley-Keene Act over the past year and at this point will only bring up issues as needed.

Mr. Conran recommended that this subject remain on future agendas items for new Board Members.

Dr. Lubkin asked how a Board Member recuses themselves from an item? Ms. Powell said the Board Member would need to say he or she was going to recuse themselves and disclose the reasons why. During close session the minutes must reflect that the Board Member left the room and when the Board Member returned. During open sessions, the Board Member can remain in the hearing but cannot participate in the discussion.

Executive Officer's Report

Mr. Stiger discussed the status of the current year budget and the results of the budget hearings for next fiscal year. Both the Assembly and Senate budget committees approved our 08/09 budget, which included an additional 15% for six investigator positions.

Mr. Stiger discussed a new organizational chart effective July 1, 2008 and an update of the filling vacant positions.

Judge Duvaras asked if staffing levels have increased under the current Executive Officer. Mr. Stiger explained that with the six additional field investigator positions the staffing level has indeed increased. Judge Duvaras asked if Mr. Stiger had an assistant. Mr. Stiger stated that he does not have an assistant but will consider creating a position as the program grows.

Dr. Lubkin asked if our staffing levels justified additional managers. Mr. Stiger explained that he submitted packages to add two managers. These packages were reviewed and approved by the DCA personnel office.

Mr. Stiger introduced Ray Delaney and Valerie James as the newest staff members. Dr. Lerner welcomed both to the Board.

Dr. Lubkin asked about the status of hiring the special investigators. Mr. Stiger explained that it would take about 45 days to bring on the Field Operations Manager

and the need to continue saving funds until the budget is restored. Mr. Conran asked if Mr. Stiger had a plan on hiring staff. Mr. Stiger stated he will begin recruiting for enforcement positions first and then move to licensing and administrative support.

Ms. Valencia presented licensing statistics to the Board and explained the licensing report.

Ms. Matthews presented enforcement statistics and explained both charts to the Board. Judge Duvaras asked how successful is the Board in recovering cost recovery. Mr. Stiger stated the Board is moderately successful and looking for ways to improve. Dr. Lubkin asked about the increase in section 312 violations. Mr. Stiger stated this speaks to licensees who are delinquent in renewing their licenses on time.

NBCE Delegate Selection – Information only

Dr. Lerner selected Dr. Lubkin as the delegate and Dr. Lerner as the alternate.

Citation and Fine language

Mr. Stiger stated that on January 10, 2008, the Enforcement Committee voted to recommend that the full Board approve the proposed regulatory language for cite and fine.

Mr. Conran expressed concerns that citations not be used unfairly to punish licensees and suggests

that the Enforcement Committee review the program in six months to determine its value. Dr. Lubkin as the Enforcement Committee Chair agreed to this review

Mr. Bill Howe, CCA, spoke in support.

MR. CONRAN MOVED TO ADOPT THE CITE AND FINE LANGUAGE. DR. LUBKIN SECONDED THE MOTION.

DISCUSSION: Mr. Conran asked how the fines will be determined. Ms. Powell answered that the fine limits are held in statute.

Mr. Conran asked if the Enforcement Committee will be reviewing the program to include guidance to the Executive Officer to determine the fine amounts. Dr. Lubkin stated the purpose of the regulation is to provide the Executive Officer with enforcement tool to use at his discretion to enforce the law.

Dr. Charles Davis, ICAC, spoke in support of the regulation and revisiting the program in six months to assess the effectiveness.

Bill Howe, CCA, spoke in support of the proposal.

VOTE: 6-0. MOTION CARRIED.

DR. LUBKIN MOVED TO DIRECT STAFF TO RESEARCH BUSINESS AND PROFESSIONS CODE 125.9 AND UNLESS THE STATUTE PROHIBITS THE BOARD FROM RENEWING A LICENSE IF THE FINE IS STILL OWING – IF THAT IS NOT IN 125.9, THAT LANGUAGE WILL BE PLACED IN THESE PROPOSED REGULATIONS BEFORE BEING NOTICED TO THE PUBLIC. MR. CONRAN SECONDED.

DISCUSSION: None

VOTE 6-0.

MOTION CARRIED.

Letter of Admonishment

MR. CONRAN MOVED TO APPROVE THE LANGUAGE.

DR. TYLER SECONDED THE MOTION.

DISCUSSION: Dr. Davis asked how citations and the letter of admonishment would be disclosed. Ms. Powell stated citations and the letter of admonishment are not considered discipline of the license but would be disclosed to the public on a public records request.

VOTE 6-0. MOTION CARRIED.

Bureau of State Audits Report

Dr. Lerner thanked the BSA on the completion of the audit and stated the Board began working and correcting the deficiencies before the audit was released. Dr. Lerner stated this is a new day for the BCE and we will use the audit's findings as a road map to correct the past problems.

Legislative Committee:

Dr. Lubkin announced that the committee voted to recommend a support position on AB 450 and AB 1861. The committee voted to recommend a watch position on AB 1402 pending the outcome of anticipated amendments.

JUDGE DUVARAS MOVED TO ADOPT THE COMMITTEE'S RECOMMENDATIONS. DR. TYLER SECONDED THE MOTION.

DISCUSSION: None.

VOTE 6-0. MOTION CARRIED.

DR. LUBKIN MOVED TO ADOPT THE COMMITTEE'S RECOMMENDATION TO ESTABLISH SPECIAL INVESTIGATORS AND AUTHORIZE THE EXECUTIVE OFFICER TO MOVE FORWARD.

DR. COLUMBU SECONDED THE MOTION.

DISCUSSION: Mr. Conran emphasized the one purpose for moving forward with this proposal transition from private investigators to civil servants.

Judge Duvaras asked if this classification required a civil service employee. Mr. Stiger answered in the affirmative.

Dr. Davis, ICAC, asked how long it would take to remove permanent employees. Ms. Powell explained the progressive discipline process including the probationary process.

Bill Howe, CCA, spoke in support of the proposal.

VOTE 6-0.

MOTION CARRIED.

Manipulation Under Anesthesia (MUA)

Dr. Lerner announced that the committee voted to recommend adoption of the proposed regulatory language for MUA.

DR. LUBKIN MOVED TO ADOPT THE RECOMMENDATION OF THE COMMITTEE.

DR. COLUMBU SECONDED THE MOTION.

DISCUSSION: Judge Duvaras recommended that the patient complete and submit an informed consent prior to the procedure taking place. Ms. Powell agreed that it is important to distinguish the responsibilities of the chiropractor from the physician and surgeon.

DR. LUBKIN MOVED TO AMEND HIS ORIGINAL MOTION TO ADOPT THE LANGUAGE WITH THE ADDITION OF A REQUIREMENT OF THE CHIROPRACTIC DOCTOR TO RECEIVE A SIGNED WRITTEN INFORMED CONSENT FROM THE PATIENT OUTLINING THE RISK FACTORS OF THE PROCEDURE.

DISCUSSION: Judge Duvaras asked why the procedure requires two chiropractors. Dr. Lerner explained that the procedure requires two chiropractors to ensure safety. The second chiropractor assists with moving the patient and some manipulation procedures require both chiropractors.

Dr. Davis, ITC, reiterated that his suggested language be included in the proposed regulatory language.

Kristine Schultz, California Chiropractic Association, recommended a technical correction to use the term doctor of chiropractic for all chiropractic regulations.

Kathleen Creason, on behalf of the Osteopathic Physicians & Surgeons of California, opposes the proposed MUA regulations.

Dr. Tyler objected and disagreed with Ms. Creason's comments.

Mr. Conran voiced his concern for the brevity of the proposed language. Mr. Conran would have preferred more details since he is not a chiropractor.

DR. LUBKIN WITHDREW HIS AMENDED MOTION.

DR. LUBKIN MOVED THAT THE BOARD MOVE FORWARD WITH THE PROPOSED REGULATOR LANGUAGE FOR MUA IN THE BOARD PACKET AND INCLUDE THE LANGUAGE

PROVIDED BY DR. CHARLES DAVIS ON THE TYPE OF FACILITY AND LEGAL COUNSEL WILL INSERT THE PROPER REFERENCES OF THE HEALTH AND SAFETY CODE AND A PROVISION REQUIRING A WRITTEN CONSENT FROM THE PATIENT OUTLINING THE RISKS OF THE PROCEDURE PRIOR TO THE PROCEDURE BEING PERFORMED.

EXECUTIVE OFFICER'S REPORT

Administration

Budget Update

Mr. Stiger stated that the Budget Conference Committee proposed a cut in the Board's budget by 50%, the budget has not passed yet, however if the state budget passes in its current form, we will have to enact immediate cost-saving measures which would include a staffing reduction and a reduction in our cases that go to the Attorney General's office. Services all around would have to be cut in order to meet the level.

Dr. Lerner asked if the Board can issue a statement on behalf of the Board. Ms. Powell suggested writing a letter to the author of the budget bill or the committee stating that cutting our budget will compromise consumer protection because we will have to cut back drastically on our enforcement activities.

DR. LERNER MOVED THAT THE BOARD SUBMIT A LETTER TO THE LEGISLATURE OR THE COMMITTEE REQUESTING EMERGENCY LEGISLATION TO RESTORE THE BUDGET ON THE BASIS THAT THIS IS GOING TO HARM OUR ABILITY TO PROTECT THE CONSUMER WHICH IS OUR NUMBER ONE PURPOSE. DR. LUBKIN SECONDED THE MOTION. MR. CONRAN ADDED THAT IF A LETTER IS TO BE SENT IT SHOULD ALSO BE SENT TO THE LEGISLATIVE LEADERSHIP AS WELL AS THE BUDGET CHAIR AND COPIES TO THE OVERSIGHT COMMITTEE'S AND A COPY TO THE GOVERNOR'S OFFICE. DR. LERNER ACCEPTED THE AMENDMENT. VOTE: 4-0. MR. CONRAN ABSTAINED.

Personnel Update

Mr. Stiger handed out the newest organizational chart. There is one revision to the chart that was included in the Board packet. There are a couple of changes since the last Board meeting. Lavella Matthews has been moved into an out-of-class Staff Services Manager I position. In her role, she will oversee licensing and administrative functions. The purpose of the change was to be sure that licensing had management oversight. It is currently a three month out-of-class with the ability to extend it. Mr. Stiger stated that these changes have been approved by the Consumer Affairs personnel office. As of Friday, August 10, 2007, the Chiropractic Consultant position is now vacant. At this current time, there is no plan to refill the position for a couple of reasons. One, with the budget uncertainties we should start saving money now. Second, we want to take a look at the Enforcement structure and perhaps reclassify the position in order to improve the enforcement operations. Mr. Stiger also announced the promotion of Marlene Valencia to Staff Services Analyst. She will now serve as the Board member liaison.

Mr. Conran inquired about the oversight of the Enforcement Program with the vacant consultant position and a manager that is currently working half-time. Mr. Stiger stated that he oversees the Enforcement program however; the absence of a consultant is more of an issue. Mr. Stiger has asked the Attorney General's office to provide recommendations of good, solid subject matter experts. Several of them have been contacted so that they're aware of our vacancy and that we may be requesting their assistance relating to scope of practice and quality of care questions. Mr. Stiger further stated that this may be an option to use on a permanent basis. Mr. Stiger also stated that these consultants are chiropractors and not state employees.

Dr. Tyler stated that he is thoroughly against having a chiropractic consultant again. He feels that we should aggressively contemplate going back to the way it was prior to 1995. Ms. Powell clarified how the experts would be utilized.

After discussion, it was decided to discuss the chiropractic consultant position at a future Board meeting.

Bureau of State Audits Update

Mr. Stiger reported the Bureau of State Audits have begun their process. Staff has been very responsive to their requests. It is anticipated that this audit will take approximately seven months.

Dr. Columbu suggested writing a response to the legislatures addressing the accusations against the Board. It was decided to place this topic on the agenda for the next Board meeting.

Department of Consumer Affairs

Mr. Stiger stated we just signed a contract with the Department of Consumer Affairs for administrative, legal and investigative services. The contract goes through December 31, 2007.

Dr. Lerner asked what happens to these contracted services if our budget is cut. Mr. Stiger responded that these are critical areas. He continued to state that he has identified which areas to scale back on in order to continue these services.

Enforcement

Statistics

Mr. Stiger reported that some of the enforcement cases are aged and he expects many of these cases will be completed within the next 60 days.

Board Member training on Bagley-Keene Open Meetings Act and other relevant laws

Ms. Powell clarified board member questions regarding when to recuse themselves from a case. Ms. Powell continued to provide ongoing training regarding the Bagley-Keene Open Meetings Act.

MISSION STATEMENT

After discussion on the mission statement for the Board, it was decided to table this item for a future meeting.

This item was tabled until the next Board meeting.

The Board recessed for lunch at 12:00p.m.

Dr. Tyler, D.C. called the Board into open session at 1:00 p.m. All Board members were present.

COMMITTEE REPORTS

Administrative Committee

Board Member Procedure Manual

Mr. Conran reported that the Administrative Committee met and discussed the procedure manual. There was lengthy discussion and revisions were suggested.

MR. CONRAN MOVED TO ACCEPT THE BOARD MEMBER ADMINISTRATIVE MANUAL WITH THE CORRECTIONS MADE TODAY. DR. LUBKIN SECONDED THE MOTION. VOTE: 2-3. MOTION FAILED.

MR. LERNER MOVED TO MAKE THE CHANGES AND PRESENT A FINAL DRAFT AT THE NEXT BOARD MEETING. DR. LUBKIN SECONDED THE MOTION. VOTE 5-0. MOTION CARRIED.

Ex Parte Policy re Board Member Communications

Mr. Conran stated at the Administrative Committee there was a 3-0 vote to approve the adoption of an Ex Parte Policy by the Board. The concept of an Ex Parte rule is to ensure there is transparency in communications to Board members when there is an issue on the agenda. Mr. Conran introduced Julie Fellmeth, Michael Shames and Steve Alexander to share the views on the Ex Parte Policy. All three guests shared the views on why they support adopting an Ex Parte Policy.

After a lengthy discussion, it was agreed that this item be deferred to the Administrative Committee for design of the Ex Parte and it will be brought back to the Board for further discussion.

Continuing Education Committee

Dr. Lubkin reported that the committee has had a few meetings. The committee is recommending there be due process for denials of a continuing education course. The Board will give the party notice and they will have 10-days to meet with the Executive Officer to address any concerns.

The committee also suggests the concept of having the evaluation of courses be handled by staff rather than the Board members. This will allow the Board members to work towards regulations and administrative changes to improve the process. The committee also discussed going back to a regulatory phase to increase the hours. Dr. Tyler stated that the chiropractic presence is essential in determining the educational requirements because staff is not knowledgeable of all techniques. Dr. Lubkin continued by stating that when there is a denial, the person who is denied will be notified of an exact code section that pertains to the denial.

Dr. Lerner asked the committee to discuss the acceptance of the FCLB policy. Dr. Lubkin stated the committee did discuss this issue and concluded that this needs to be part of the regulation.

MR. CONRAN MOVED TO ACCEPT THE CONTINUING EDUCATION COMMITTEE REPORT. DR. LERNER SECONDED THE MOTION. VOTE: 5-0. MOTION CARRIED.

Enforcement Committee

Dr. Lubkin reported the committee discussed adding fine authority to the citation program. A letter of admonishment procedure was also discussed. Staff will prepare the language and it will be presented at the next meeting.

DR. LUBKIN MOVED TO ACCEPT THE ENFORCMENT COMMITTEE REPORT. DR. LERNER SECONDED THE MOTION. VOTE: 5-0. MOTION CARRIED.

Legislative Committee

AB1137

Dr. Lerner reported that AB 1137 did not get out of the Senate, Business and Professions committee and is now dead.

SB801

Dr. Lerner gave a description of bill SB801 and reported that SB801 is moving forward. Dr. Lerner stated the based on the committee's previous recommendation the Board took a position of watch.

DR. COLUMBU MADE A MOTION TO TAKE A NEW POSITION THAT THE BOARD OPPOSES BILL SB801. DR. LERNER SECONDED THE MOTION. Mr. Conran stated that he does not agree that the Board should take opposition to the bill. Dr. Lubkin commented that taking a new position should be done carefully and suggests this go to the committee for thorough discussion. Following public comment from Charles Davis, D.C., Michael Blott, D.C., David Prescott and others, a vote was taken. **VOTE: 4-1. MOTION CARRIED.**

Dr. Lerner asked for clarification of bill SB840. Dr. Lerner recommended that this bill be looked at during the next Legislative Committee meeting.

Manipulation Under anesthesia (MUA)

Dr. Lerner reported that the committee, Mr. Stiger and Ms. Powell met with representatives from Office of Administrative Law (OAL) on July 17, 2007. Ms. Powell stated that the main fault with the way the regulations were written before was that it created a sub-category of licensure. Instead, the regulations should be focused on if you are a chiropractor, what is the standard of care if you are performing MUA. OAL stated that they would need a legal opinion that MUA is in fact, within the scope of practice for chiropractic. That is describing MUA appropriately so that its very clear that the chiropractor is performing the adjustment and is in no way directing the anesthesiologist or the physician surgeon who is sedating the patient. Ms. Powell will provide a legal opinion to the Board by the end of October.

Dr. Lerner commented that at the next MUA Committee meeting, David Prescott will give a 90-minute presentation on Scope of Practice.

DISCUSSION OF BOARD MEETING SCHEDULE AND PETITIONER HEARING DATES

Mr. Stiger indicated that the next scheduled Board meeting will be October 25, 2007. Board business will be held in the morning and petitioner hearings will be in the afternoon.

RE: **Endorsement/Reciprocity**

The Ohio State Chiropractic Board grants licensure by endorsement/reciprocity on a case by case basis if a licensee does not meet the standard filing requirements for licensure as outline by ORC § 4734.20. The Board does not maintain a list of states that it does or does not reciprocate with.

As stated in ORC § 4734.23 (B)...The state chiropractic board may, for good cause, waive all or part of the educational and testing requirements specified under section 4734.20 of the Revised Code and issue a license to an applicant under this section, if the applicant presents satisfactory proof of being licensed to practice chiropractic in another state or country where the requirements for receipt of the license, on the date the license was issued, are considered by the board to be substantially equivalent to those of this chapter.

A copy of ORC § 4734.20 and ORC § 4734.23 are enclosed for your review.

If you have any questions please do not hesitate to contact this office.

Re: **License Fees**

You have indicated that the Board wants to raise license fees and have asked how to go about getting approval to raise the fees. The current state of the law is that license fees are not to exceed \$150, pursuant to section 12 of the Chiropractic Initiative Act. Any changes to the maximum amount originally had to be approved by the voters, but section 12.5 (added later by voter approval) permits the legislature to fix the amount *without* voter approval. You are correct that you can use 12.5 to sponsor legislation to raise the fees. It may be helpful to point out that the \$150 maximum has been around since 1983!

I have attached an analysis of the proposition approved by the voters in 1960 that gives the Legislature authority to fix the fees.

Chiropractic Initiative Act
Board of Chiropractic Examiners

The repealed section required recordation of licenses and required a list of licensees be kept by the county clerk, which list was to be open to public inspection.

§ 12. Renewal fee

Licenses issued under the provisions of this section expire at 12 midnight on the last day of the month of birth of licentiates of the board.

On or before July 1, 1991, the board shall establish regulations for the administration of a birth month renewal program. Each person practicing chiropractic within this state shall, on or before the last day of their month of birth of each year, after a license is issued to them as herein provided, pay to the Board of Chiropractic Examiners a renewal fee of not more than one hundred fifty dollars (\$150) as determined by the board. The secretary shall mail to all licensed chiropractors in this state, on or before 60 days prior to the last day of the month of their birth each year, a notice that the renewal fee will be due on or before the last day of the month of their birth next following. Nothing in this act shall be construed to require the receipts to be recorded in like manner as original licenses. The failure, neglect or refusal of any person holding a license or certificate to practice under this act in the State of California to pay the annual fee during the time their license remains in force shall, after a period of 60 days from the last day of the month of their birth automatically work a forfeiture of his or her license or certificate, and it shall not be restored except upon the written application therefor and the payment to the board of a fee of twice the annual amount of the renewal fee in effect at the time the restoration application is filed except that a licentiate who fails, refuses or neglects to pay the annual tax within a period of 60 days after the last day of the month of his or her birth of each year shall not be required to submit to an examination for the reissuance of the certificate.

§ 12.5. Authority of legislature to fix fees payable by applicants and licensees and per diem compensation of Board of Chiropractic

The Legislature may by law fix the amounts of the fees payable by applicants and licensees and the amount of the per diem compensation payable to members of the board.

(Added by Stats. 1959, c. 1768, p. 4253, § 2.)

§ 13. Health regulations, death certificates, reports

Chiropractic licentiates shall observe and be subject to all state and municipal regulations relating to all matters pertaining to the public health, and shall sign death certificates and made reports as required by law to the proper authorities, and such reports shall be accepted by the officers of the departments to which the same are made.

(Initiative Measure, Stats. 1923, p. xcii, § 13.)

§ 14. Receipts; deposit; monthly report; state board of chiropractic examiners' fund; use

The executive officer shall at the end of each month report to the State Controller the total amount of money received by the board from all sources, and shall deposit with the State Treasurer the entire amount of such receipts, and the State Treasurer shall place the money so received in a special fund, to be known as the "State Board of Chiropractic Examiners' Fund". Such fund shall be expended in accordance with law for all necessary and proper expenses in carrying out the provisions of this act, upon proper claims approved by said board or a finance committee thereof.

Sufficient qualified electors of the State of California present to the secretary of state this petition and request that a proposed measure, as hereinafter set forth, be submitted to the people of the State of California for their approval or rejection, at the next ensuing general election. The proposed measure is as follows:

PROPOSED LAW.

(Proposed changes from provisions of present laws are printed in black-faced type.)

An act prescribing the terms upon which licenses may be issued to practitioners of chiropractic, creating the state board of chiropractic examiners and declaring its powers and duties, prescribing penalties for violation hereof, and repealing all acts and parts of acts inconsistent herewith.

The people of the State of California do enact as follows:

Section 1. A board is hereby created to be known as the "state board of chiropractic examiners," hereinafter referred to as the board, which shall consist of five members, citizens of the State of California, appointed by the governor. Each member must have pursued a resident course in a regularly incorporated chiropractic school or college, and must be a graduate thereof and hold a diploma therefrom. Each member of the board first appointed hereunder shall have practiced chiropractic in the State of California for a period of three years next preceding the date upon which this act takes effect, thereafter appointees shall be licentiates hereunder. No two persons shall serve simultaneously as members of said board, whose first diplomas were issued by the same school or college of chiropractic, nor shall more than two members be residents of any one county of the state. And no person connected with any chiropractic school or college shall be eligible to appointment as a member of the board. Each member of the board, except the secretary, shall receive a per diem of ten dollars for each day during which he is actually engaged in the discharge of his duties, together with his actual and necessary traveling expenses incurred in connection with the performance of the duties of his office, such per diem traveling expenses and other incidental expenses of the board or of its members to be paid out of the funds of the board hereinafter defined and not from the state's taxes.

Sec. 2. Within sixty days of the date upon which this act takes effect, the governor shall appoint the members of the board. Of the members first appointed, one shall be appointed for a term of one year, two for two years, and two for three years. Thereafter, each appointment shall be for the term of three years, except that an appointment to fill a vacancy shall be for the unexpired term only. Each member shall serve until his successor has been appointed and qualified. The governor may remove a member from the board after receiving sufficient proof of the inability or misconduct of said member.

Sec. 3. The board shall convene within thirty days after the appointment of its members, and

shall organize by the election of a president, vice-president and secretary, all to be chosen from the members of the board. Thereafter elections of officers shall occur annually at the January meeting of the board. A majority of the board shall constitute a quorum.

It shall require the affirmative vote of three members of said board to carry any motion or resolution, to adopt any rule, or to authorize the issuance of any license provided for in this act. The secretary shall receive a salary to be fixed by the board in an amount not exceeding one thousand dollars per annum, but not per diem, together with his actual and necessary traveling expenses incurred in connection with the performance of the duties of his office, and shall give bond to the state in such sum with such sureties as the board may deem proper. He shall keep a record of the proceedings of the board, which shall at all times during business hours be open to the public for inspection. He shall keep a true and accurate account of all funds received and of all expenditures incurred or authorized by the board, and on the first day of December of each year he shall file with the governor a report of all receipts and disbursements and of the proceedings of the board for the preceding fiscal year.

Sec. 4. The board shall have power:

(a) To adopt a seal, which shall be affixed to all licenses issued by the board.

(b) To adopt from time to time such rules and regulations as the board may deem proper and necessary for the performance of its work, copies of such rules and regulations to be filed with the secretary of state for public inspection.

(c) To examine applicants and to issue and revoke licenses to practice chiropractic, as herein provided.

(d) To summon witnesses and to take testimony as to matters pertaining to its duties; and each member shall have power to administer oaths and take affidavits.

(e) To do any and all things necessary or incidental to the exercise of the powers and duties herein granted or imposed.

Sec. 5. It shall be unlawful for any person to practice chiropractic in this state without a license so to do. Any person wishing to practice chiropractic in this state shall make application to the board fifteen days prior to any meeting thereof, upon such form and in such manner as may be provided by the board. Each application must be accompanied by a license fee of twenty-five dollars and a certificate showing good moral character of the applicant. Except in the cases herein otherwise prescribed, each applicant shall be a graduate of an incorporated chiropractic school or college which teaches a course of not less than two thousand four hundred hours, extended over a period of three school terms of at least six months each, and must give satisfactory proof of having attended not less than ninety per cent of said two thousand four hundred hours, and shall present to the board at the time of making such application, a diploma from a high school, or proof, satisfactory to the board of education equivalent in training power to a high school course.

Sec. 6. (a) The board shall meet as a board of examiners on the first Tuesday following the second Monday of January and July of each year, and at such other times and places as may be found necessary for the performance of their duties. The office of the board shall be in the city of Sacramento. Sub-offices may be established in Los Angeles and San Francisco, and such records as may be necessary may be transferred temporarily to such sub-offices. Legal proceedings against the board may be instituted in any one of said three cities.

(b) Each applicant shall be designated by a number instead of the name, so that the identity will not be disclosed to the examiners until the papers are graded.

(c) All examinations shall be in writing, except in cases herein otherwise prescribed, and shall be practical in character, as taught in chiropractic schools or colleges, and designed to ascertain the fitness of the applicant to practice chiropractic. Said examinations shall be in each of the subjects as set forth in section five hereof. A license shall be granted to any applicant who shall make a general average of seventy-five per cent, and not fall below sixty per cent in more than two subjects or branches of said examination. Any applicant failing to make the required grade shall be given credit for the branches passed, and may, without further cost, take the examination at the next regular examination on the subjects in which he failed. For each year of actual practice since graduation the applicant shall be given a credit of one per cent on the general average.

Sec. 7. One form of certificate shall be issued by the board of chiropractic examiners, which said certificate shall be designated "License to practice chiropractic," which license shall authorize the holder thereof to practice chiropractic in the State of California as taught in chiropractic schools or colleges; and, also, to use all necessary mechanical, and hygienic and sanitary measures incident to the care of the body, but shall not authorize the practice of medicine, surgery, osteopathy, dentistry or optometry, nor the use of any drug or medicine now or hereafter included in materia medica.

Sec. 8. Any person who shall have practiced chiropractic for two years after graduation from a chiropractic school or college, one year of which shall have been in this state preceding the date upon which this act takes effect, or any person who graduated from a chiropractic school or college prior to January 1, 1922, and who shall present to the board satisfactory proof of good moral character and having pursued a resident course of not less than two thousand hours in a legally incorporated chiropractic school or college, shall be given a practical and clinical examination in chiropractic philosophy and practice, and if he, or she, make a grade of seventy-five per cent in such examination, the board shall grant a license to said applicant to practice chiropractic in this state under the provisions of this act; provided, however, that application for said license is made within six months of the date upon which this act takes effect and that each applicant shall pay to the secretary of the board the sum of twenty-five dollars.

Sec. 9. Notwithstanding any provision contained in any other section of this act the board, upon receipt of the fee of twenty-five dollars, shall issue a license to any of the following named persons:

(a) To each member of the board.

(b) To any person licensed to practice chiropractic under the laws of another state, having the same general requirements as prescribed in this act; and provided, further, that such other state in like manner grants reciprocal registration to chiropractic practitioners of this state.

Sec. 10. (a) The board shall refuse to grant, or may revoke, a license to practice chiropractic in this state, or may cause a licensee's name to be removed from all records of licensed practitioners of chiropractic in this state, upon any of the following grounds, to wit:

The employment of fraud or deception in applying for a license or in passing an examination as provided in this act; the practice of chiropractic under a false or assumed name; or the personation of another practitioner of like or different name; the conviction of a crime involving moral turpitude; habitual intemperance in the use of ardent spirits, narcotics or stimulants to such an extent as to incapacitate him for the performance of his professional duties; the advertising of any means whereby the monthly periods of women can be regulated or the menses reestablished if suppressed; or the advertising, directly, indirectly or in substance, upon any card, sign, newspaper advertisement, or other written or printed sign or advertisement, that the holder of such license or any other person, company or association by which he or she is employed, or in whose service he or she is, will treat, cure, or attempt to treat or cure, any venereal disease, or will treat or cure, or attempt to treat or cure, any person afflicted with any sexual disease, for lost manhood, sexual weakness or sexual disorder or any disease of the sexual organs; or being employed by, or being in the service of any person, company or association so advertising. Any person who is licentiate, or who is an applicant for a license to practice chiropractic, against whom any of the foregoing grounds for revoking or refusing a license is presented to the board with a view of having the board revoke or refuse to grant a license, shall be furnished with a copy of the complaint, and shall have a hearing before the board in person or by an attorney, and witnesses may be examined by the board respecting the guilt or innocence of the accused. The secretary on all cases of revocation shall enter on his register the fact of such revocation, and shall certify the fact of such revocation under the seal of the board to the county clerk of the counties in which the certificates of the person whose certificate has been revoked is recorded; and said clerk must thereupon write upon the margin or across the face of his register of the certificate of such person the following: "This certificate was revoked on the _____ day of _____, giving the day, month and year of such revocation in accordance with said certification to him by said secretary. The record of such revocation so made by said county clerk shall be prima facie evidence of the fact thereof, and of the regularity of all proceedings of said board in the matter of said revocation.

(b) At any time after two years following the revocation or cancellation of a license or registration under this section, the board may, by a majority vote, reissue said license to the person affected, restoring him to, or conferring on him all the rights and privileges granted by his original license or certificate. Any person to whom such rights have been restored shall pay to the secretary the sum of twenty-five dollars upon the issuance of a new license.

Sec. 11. (a) Every person who shall receive a license from the board shall have it recorded in the office of the county clerk of the county in which he resides, and shall have it likewise recorded in the counties into which he shall subsequently move for the purpose of practicing chiropractic.

(b) The failure or the refusal on the part of the holder of a license to have it recorded before he shall begin to practice chiropractic in this state, after having been notified by the board to do so, shall be sufficient ground to revoke or cancel a license and to render it null and void.

(c) The county clerk of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and

description of the licenses recorded by him. When any such license shall be presented to him for record he shall stamp upon the face thereof his signed memorandum of the date when such license was presented for record.

Sec. 12. Each person practicing chiropractic within this state shall, on or before the first day of January of each year, after a license is issued to him as herein provided, pay to said board of chiropractic examiners a renewal fee of two dollars. The secretary shall, on or before November first of each year, mail to all licensed chiropractors in this state a notice that the renewal fee will be due on or before the first day of January next following. Nothing in this act shall be construed to require the receipts to be recorded in like manner as original licenses. The failure, neglect or refusal of any person holding a license or certificate to practice under this act in the State of California to pay said annual fee of two dollars during the time his or her license remains in force shall, after a period of sixty days from the first day of January of each year, ipso facto, work a forfeiture of his or her license or certificate, and it shall not be restored except upon the written application therefor and the payment to the said board of a fee of ten dollars, except that such licensee who fails, refuses or neglects to pay such annual tax within a period of sixty days after the first day of January of each year shall not be required to submit to an examination for the reissuance of such certificate.

Sec. 13. Chiropractic licentiates shall observe and be subject to all state and municipal regulations relating to all matters pertaining to the public health, and shall sign death certificates and make reports as required by law to the proper authorities, and such reports shall be accepted by the officers of the departments to which the same are made.

Sec. 14. All moneys received by the board under this act shall be paid to the secretary of said board, who shall give a receipt for the same and shall at the end of each month report to the state controller the total amount of money received by him on behalf of said board from all sources, and shall at the same time deposit with the state treasurer the entire amount of such receipts, and the state treasurer shall place the money so received in a special fund, to be known as the "state board of chiropractic examiners' fund," which fund is hereby created. Such fund shall be expended in accordance with law for all necessary and proper expenses in carrying out the provisions of this act, upon proper claims approved by said board or a finance committee thereof.

Sec. 15. Any person who shall practice or attempt to practice chiropractic, or any person who shall buy, sell or fraudulently obtain a license to practice chiropractic, whether recorded or not, or who shall use the title "chiropractor" or "D. C." or any word or title to induce, or tending to induce belief that he is engaged in the practice of chiropractic, without first complying with the provisions of this act; or any licensee under this act who uses the word "doctor" or the prefix "Dr." without the word "chiropractor," or "D. C." immediately following his name, or the use of the letters "M. D." or the words "doctor of medicine," or the term "surgeon," or the term "physician," or the word "osteopath," or the letters "D. O." or any other letters, prefixes or suffixes, the use of which would indicate that he or she was practicing a profession for which he held no license from the State of California, or any person who shall violate any of the provisions of this act, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than fifty dollars and not more than two hundred dollars, or by imprisonment in the county jail for not less than thirty days nor more than ninety days, or both.

Sec. 16. Nothing in this act shall be construed to prohibit service in case of emergency, or the domestic administration of chiropractic, nor shall this act apply to any chiropractor from any other state or territory who is actually consulting with a licensed chiropractor in this state; provided, that such consulting chiropractor shall not open an office or appoint a place to

receive patients within the limits of the state; nor shall this act be construed so as to discriminate against any particular school of chiropractic, or any other treatment; nor to regulate, prohibit or apply to any kind of treatment by prayer; nor to interfere in any way with the practice of religion. Nor shall this act apply to persons who are licensed under other acts.

Sec. 17. It shall be the duty of the several district attorneys of this state to prosecute all persons charged with the violation of any of the provisions of this act. It shall be the duty of the secretary of the board, under the direction of the board, to aid attorneys in the enforcement of this act.

Sec. 18. Nothing herein shall be construed as repealing the "medical practice act" of June 2, 1913, or any subsequent amendments thereof, except in so far as that act or said amendments may conflict with the provisions of this act as applied to persons licensed under this act, to which extent any and all acts or parts of acts in conflict herewith are hereby repealed.

Sec. 19. If any section, subsection, sentence, clause or phrase of this act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this act. The electors hereby declare that they would have passed this act, and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more other sections, subsections, sentences, clauses or phrases be declared unconstitutional.

EXISTING PROVISIONS.

Sections seven, nine, ten, eleven, thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty-two and twenty-four of the state medical practice act, approved June 2, 1913, as amended, which is proposed to be modified in so far as the act relates to issuance of certificates to chiropractics and regulation of the practice of chiropractic, read as follows:

There shall be at least ten questions on each subject, the answers to which shall be marked on a scale of zero to one hundred. Each applicant must obtain no less than a general average of seventy-five per cent, and not less than sixty per cent in any two subjects; provided, that any applicant shall be granted a credit of one per cent upon the general average for each year of actual practice since graduation; provided, further, that any applicant for " * * * " "drugless practitioner certificate" obtaining seventy-five per cent each in five subjects " * * * " shall be subsequently re-examined in those subjects only in which he failed, and without additional fee. Any person who at any time prior to January 1, 1916, shall pay to the secretary of said board the fee of twenty-five dollars and submit satisfactory proof of good moral character and of a resident one-year course of not less than one thousand hours in a legally chartered school approved by the board and satisfactory proof of three years of actual practice of a drugless system of the healing art, such three years of actual practice to have been in the State of California, shall be admitted to the drugless practitioner examination; * * * Any one who shall pay the fee of fifty dollars to the secretary of the board prior to January 1, 1916, and submit to the board satisfactory proof of good moral character and proof of six years' actual practice of a drugless system of the healing art, three years of which must have been in the State of California, and satisfactory proof of a resident one-year course of not less than one thousand hours in a legally chartered school approved by the board and upon proof of competency in a drugless system may be granted a certificate to practice a drugless system in this state; * * *

The examination papers shall form a part of the records of the board, and shall be kept on file by the secretary for a period of one year after each examination. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret until after the board has finally voted upon the application. The secretary of the board shall in no instance participate as an examiner in any examination held by the board. All questions on any subject in which examination is required under this act shall be provided by the board of medical examiners upon the morning of the day upon which examination is given in such subject, and when it shall be shown that the secretary or any member of the board has in any manner given information in advance of or during examination to any applicant it shall be the duty of the governor to remove such person from the board of medical examiners, or from the office of secretary.

All certificates issued hereunder must state the extent and character of practice which is permitted thereunder and shall be in such form as shall be prescribed by the board.

Sec. 13. Said board must also issue a certificate to practice a system or mode of treating the sick or afflicted recognized by this act or any preceding practice act in the State of California, to any applicant, without any examination, authorizing the holder thereof to practice a system or mode of treating the sick or afflicted in the State of California, upon payment of a registration fee of one hundred dollars, upon the following terms and conditions and upon satisfactory proof thereof, viz: The applicant shall produce a certificate entitling him to practice a system or mode of treating the sick or afflicted, as provided in this act or any preceding practice act of the State of California, issued either by the medical examining board, or by any other board or officer authorized by the law to issue a certificate entitling such applicant to practice a system or mode of treating the sick or afflicted either in the District of Columbia or in any state or territory of the United States, or if such certificate shall have been lost, then a copy thereof, with proof satisfactory to the board of medical examiners of the State of California that the copy is a correct copy. Said certificate must not have been issued to such applicant

prior to the first day of August, 1901, and the requirements from the college from which such applicant may have graduated, and the requirements of the board which was legally authorized to issue such certificate permitting such applicant to practice a system or mode of treating the sick or afflicted shall not have been at the time such certificate was issued, in any degree or particular less than those which were required for the issuance of a similar certificate to practice a system or mode of treating the sick or afflicted in the State of California at the date of the issuance of such certificate, or which may hereafter be required by law and which may be in force at the date of the issuance of any such certificate; and provided, further, that said applicant shall furnish from the board which issued said certificate, evidence satisfactory to the board of medical examiners of the State of California showing what the requirements were of the college and of the board, issuing such certificate at the date of such issuance. If, after an examination of such certificate, and the production on the part of the applicant of such further reasonable evidence of the said requirements as may be deemed necessary by the board of medical examiners of the State of California and any other or further examination or investigation which said board may see fit to make on its own part, it shall be found that the requirements of the board issuing such certificate were, when said certificate was issued, in any degree or particular less than the requirements provided by the law of the State of California at the date of the issuance of such certificate or that the applicant has not been a resident of the state from which the application is based for a period of one year subsequent to the issuance of such certificate he will not be entitled to practice within the State of California without an examination. An oral examination shall not be deemed to be of equal merit with a written examination and no certificate shall be issued in the case where a written examination was given in California and an applicant was given an oral examination in another state at the same time. The board is hereby authorized to enter into a contract or contracts of reciprocity with other states wherein the standard of such states is not in any degree or particular less than were the requirements in the State of California in the same year, for the issuance of a certificate to practice a system or mode of treating the sick or afflicted, such certificate to be similar in scope of practice as the certificate issued in the other state; provided, however, that an application based upon a certificate to practice any system or mode of treating the sick or afflicted issued in the District of Columbia or in any state or territory prior to March 4, 1901, if refused or denied by reason of the insufficiency of the standard of such state or territory then such applicant may have the privilege of either a written or oral examination before the board at the option of the applicant.

Sec. 14. Said board must refuse a certificate to any applicant guilty of unprofessional conduct. On the filing with the secretary of a sworn complaint, charging the applicant with having been guilty of unprofessional conduct, the secretary must forthwith issue a citation, under the seal of the board, and make the same returnable at the next regular session of said board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant when and where the charges of said unprofessional conduct will be heard and that the applicant shall file his written answer, under oath, within twenty days next after the service on him of said citation or that default will be taken against him and his application for a certificate refused. The attendance of witnesses at such hearing may be compelled by subpoenas issued by the secretary of the board under its seal. Said citation and said subpoenas shall be served in accordance with the statutes of this state then in force as to the service of citation and subpoenas generally, and all the provisions of the statutes of this state then in force relating to subpoenas and to citations are hereby made applicable to the subpoenas and citations provided for herein. Upon

the secretary's certifying to the fact of refusal of any person to obey a subpoena or citation to the superior court of the county in which the service was had, said court shall thereupon proceed to hear said matter in accordance with the statutes of this state then in force as to contempts for disobedience of process of the court, and should said court find that the subpoena or citation has been legally served, and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct, arising under this act, depositions of witnesses may be taken, the same as in civil cases and all the provisions of the statutes of this state then in force as to the taking of depositions are hereby made applicable to the taking of depositions under this act. If the applicant shall fail to file with the secretary of said board his answer, under oath, within twenty days after service on him of said citation, or within such further time as the board may allow, and the charges on their face shall be deemed sufficient by the board, default shall be entered against him, and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter, and to that end shall hear such proper evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. Whenever any holder of a certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this act, and the said unprofessional conduct has been brought to the attention of the board granting said certificate, in the manner hereinafter provided or whenever a certificate has been procured by fraud or misrepresentation or issued by mistake or that the certificate upon which a reciprocity certificate has been issued was procured by fraud or misrepresentation or issued by mistake or the person holding such certificate is found to be practicing contrary to the provisions thereof and of this act, it shall be the duty of the board and the board shall have power to suspend the right of the holder of said certificate to practice for a period not exceeding one year or to place the holder of said certificate upon probation or suspend judgment in such cases or revoke his certificate, or take such other action in relation to the punishment of the holder of said certificate as in its discretion it may deem proper. In the event of such suspension, the holder of such certificate shall not be entitled to practice thereunder during the term of suspension; but, upon the expiration of the term of said suspension, he shall be reinstated by the board and shall be entitled to resume his practice, unless it shall be established to the satisfaction of the board that said person so suspended from practice, has, during the term of such suspension, practiced in the State of California, in which event the board shall revoke the certificate of such person. No such suspension or revocation shall be made unless such holder is cited to appear and the same proceedings are had as is hereinbefore provided in this section in case of refusal to issue certificates. Said secretary in all cases of suspension or revocation shall enter on his register the fact of such suspension or revocation, as the case may be, and shall certify the fact of such suspension or revocation under the seal of the board, to the county clerk of the counties in which the certificates of the person whose certificate has been revoked is recorded: and said clerk must thereupon write upon the margin or across the face of his register of the certificate of such person, the following: "The holder of this certificate was on the _____ day of _____ suspended for _____," or, "This certificate was revoked on the _____ day of _____," as the case may be, giving the day, month and year of such revocation or length of suspension, as the case may be, in accordance with said certification to him by said secretary. The record of such suspension or revocation so made by said county clerk shall be prima facie evidence

of the fact thereof, and of the regularity of all the proceedings of said board in the matter of said suspension or revocation; provided, further, that the holder of any certificate which has been revoked or suspended by the board of medical examiners, may within twenty days after receiving notice of said revocation or suspension of his said license, appeal to the superior court of the State of California in the county or city and county in which such suspension or revocation was made by the board of medical examiners. Upon such appeal being taken by such person whose license has been revoked or suspended by the board of medical examiners in accordance with the provisions of this act, the said superior court shall have full power to review all of the proceedings and testimony taken in said hearing before the board of medical examiners, and to inquire into the sufficiency of the evidence upon which such suspension or revocation was made. If the court finds the evidence sufficient to sustain the judgment of the board, said judgment shall be upheld and affirmed, and if the court deems such evidence insufficient to justify the judgment of the board of medical examiners in revoking or suspending the license of the petitioner, said superior court shall have full power to annul or reverse said judgment. The balance or twenty-five per cent of such fines or forfeitures of bail shall be paid to the county wherein the case is pending.

ARGUMENT IN FAVOR OF PROPOSED CHIROPRACTIC ACT.

Your vote "Yes" on the Chiropractic Initiative Bill is urged for many reasons, some of which are set forth herein, and all of which are consistent with American ideals, just to all and do injury to none.

Under this bill there will be a board of five competent chiropractors, appointed by the Governor, to examine and license chiropractors. No chiropractor will be licensed without examination. The board will be self-sustaining, incurring no additional expense to the taxpayers. It provides for high and proper standards of chiropractic education, a high school diploma or its equivalent, requires four hundred hours more than drugless section of present Medical Act, conforms to all general health laws administered by the board of health and prohibits the use of drugs, surgery or the practice of obstetrics by chiropractors, thus guaranteeing to the people competency of chiropractors and protection from the ignorant or unscrupulous, which the medical law, administered by medical men, does not and can not do.

The teachings and practice of chiropractic are admittedly different from those of medicine, therefore, the members of the Medical Board, who are without training in the science of chiropractic, have never studied it, do not practice it, brand it as unscientific and absurd, are its competitors, and desire only to destroy it, can not intelligently and without prejudice examine the chiropractor in his system of practice.

To illustrate: It would be as reasonable to permit the Mikado to direct our shipbuilding and examine U. S. Naval officers as to permit the Medical Board, dominated by M.D.'s, to examine and control their chief competitors.

The progress of chiropractic, little short of marvelous, has been made under extremely unfavorable conditions. Denied ordinary freedom from oppression by political medicine, having no hospital facilities, no endowments of their schools or other institutions, no support of society except the commercial side resulting from the good they have done, they have reached the point where within the last seven years twenty-two states have enacted laws similar to the one now proposed in California.

The Medical Board, empowered, as it now is, to exercise unlimited authority over the practice of chiropractic, is using the medical law to throttle chiropractic and prohibit its practice in California.

The medical law, as administered by the Medical Board, has no reasonable tendency to promote the public safety and welfare.

The people of California demand that anyone who proposes to serve them in matters of health shall possess proper qualifications; therefore the demand for a board of chiropractic examiners to examine chiropractors and intelligently consider their qualifications. In this way only may the will and best interests of the people of California be served.

The following facts should be remembered:

The only opposition to this bill is by political doctors.

No chiropractic examinations were ever held in California.

No chiropractic licenses were ever issued in California.

No chiropractic licenses CAN be issued under present law.

In view of the foregoing, and in the interests of right and justice, vote "Yes."

G. A. LYNCH.

ARGUMENT AGAINST PROPOSED NEW CHIROPRACTIC BOARD.

To create two new boards, not only to duplicate but to triplicate the work now being done effectively and economically by one responsible board of examiners, is the extravagant purpose of Number 16, the Chiropractic Initiative, and Number 20, the Osteopathic Initiative. Both measures should be defeated as unnecessary and unsafe legislation.

California already has a competent Board of Examiners created by law, charged with the duty of determining, by impartial examination, the qualifications of all applicants, including chiropractors, who desire to treat diseases, injuries, deformities, physical or mental afflictions of human beings. Examinations are necessary to safeguard the lives and health of the people from incompetents, impostors and quacks. Citizens have the right to expect that anyone the state licenses shall possess a certain amount of knowledge of the causes and courses of diseases and the complex functions of the intricate human machine.

Examinations are open to all qualified applicants. Many chiropractors have taken and passed the examination and are now legally licensed and practicing in California. Any applicant who can meet the reasonable requirements of the present state law and pass a 75% examination can receive a license.

To create a new board for the special benefit of those who are unable or unwilling to take the state examination is to approve ignorance and license lawlessness.

Chiropractors and osteopaths constitute only two of the twenty-seven drugless cults of California. If a new board is created for chiropractors and another new board for osteopaths, it is obvious that the other twenty-five drugless cults are equally entitled to special boards. This would result in a chaotic condition constantly menacing the public health.

The California legislature at five different sessions carefully investigated and considered chiropractic demands for a new board based upon charges that the present board of medical examiners is incompetent and unfair. Each time the chiropractic charges were found untrue and the chiropractic bill was consequently rejected five times as without merit.

Some of the many dangerous features of the chiropractic act are: It lowers educational standards; it removes vital public health safeguards; under its provisions thousands of graduates of "fly by night" schools may be licensed with practically no examination at all; it neglects to define "chiropractic." To create a new board and grant powers to it, to license those of inferior education to practice an undefined and uncertain thing is unsafe.

The law governing the Board of Medical Examiners has been upheld by our courts as valid, reasonable and enforceable without one dissenting opinion. Governor Johnson and Governor Stephens selected an able board. If the present board becomes incompetent or unfair the governor has authority to select a new board. The courts can review and reverse the Board's decisions. Such a well-selected, responsible board assures all applicants of impartial and competent consideration and assures the people of California adequate protection.

To maintain educational standards and public health safeguards, vote "No" on Number 16.

Vote: Majority

Bill Summary:

This bill would require the Board of Chiropractic Examiners (BCE) to disclose all ex parte communications at the BCE's public meetings and the ex parte communications must be recorded in the BCE's minutes. This BCE may also adopt regulations that provide an incentive for the licensee to provide services on a pro bono basis and to establish requirements for the number of staff required to adequately investigate and bring disciplinary against a license.

Purpose of the Bill:

According to the Author, this bill is intended to provide a more effective method of continuing state licensing and regulation when the Legislature sunsets a licensing board within the department of Consumer Affairs.

Existing Law:

Provides specified procedures, in which the Joint Committee on Boards, Commissions, and Consumer Protection recommends whether boards within the Department of Consumer Affairs should be continued or its functions modified. It also allows each board to appoint a person exempt from Civil Service to be designated as the executive officer.

Specifically, this bill would:

- Require the BCE to disclose all ex parte communications at meetings, and record in the BCE's minutes.
- Authorizes the BCE to adopt regulations to provide incentives to licensees that provide services, within their scope, on a pro bono basis prior to June 30, 2009. The regulation may reduce the license renewal fee for a licensee who complies with the pro bono requirements.
- Authorizes the BCE to adopt regulations that set requirements for the number of staff required to adequately investigate and, if appropriate, bring a disciplinary action against a licensee by June 30, 2009.

Fiscal Impact:

The BCE may experience an increase in workload; however, the BCE staff believes this can be absorbed with existing staff.

LEGISLATIVE COUNSEL'S DIGEST

SB 963, as amended, Ridley-Thomas. Regulatory boards: operations.

Existing law creates various regulatory boards, as defined, within the Department of Consumer Affairs ~~and makes their funds separate accounts within the Professions and Vocations Fund. Under existing law, the revenue in certain of those accounts is continuously appropriated to the board, other than fine and penalty revenues~~, with board members serving specified terms of office. Existing law authorizes each board to appoint a person, exempt from Civil Service, who shall be designated as an executive officer.

Existing law generally makes the regulatory boards inoperative and repealed on ~~a~~ specified date ~~dates~~, unless ~~that date is~~

those dates are deleted or extended by subsequent legislation, and subjects these boards that are scheduled to become inoperative and repealed as well as other boards in state government, as specified, to review by the Joint Committee on Boards, Commissions, and Consumer Protection. Under existing law, that committee, following a specified procedure, recommends whether the board should be continued or its functions modified.

~~This bill would delete those provisions making the boards inoperative on a specified date and subjecting boards to review by the Joint Committee on Boards, Commissions, and Consumer Protection. The bill would instead make each of those boards subject to review by~~

~~a standing policy committee of the Legislature upon request by a Member of the Legislature or the chief of the Office of the Consumer Advocate, which the bill would create in the Department of Consumer Affairs. The bill would, upon the committee's determination that a board is deficient, as specified, provide for the removal of all incumbent board members without a hearing and the appointment of a successor board, as specified. The bill would require the Office of the Consumer Advocate to serve as an independent monitor for a board that is found deficient. The bill would authorize the office to appear at meetings and to participate in disciplinary proceedings by a board within the department if required to promote or protect the interests of consumers, as defined, and would require the office to perform other specified duties. The bill would require the office to charge each board a fee to support the office's functions and would thereby make an appropriation by expanding the expenditure purposes of a continuously appropriated fund. The bill would create the Consumer Advocate Fund where these fees would be deposited and would be available to the office upon appropriation by the Legislature. The bill would require the director to report annually to the Governor and the Legislature, as specified, on the office's operations.~~

~~The bill would require boards within the department to enter into an agreement with the department for the performance of administrative and ministerial functions and would require the Director of Consumer Affairs, prior to January 1, 2010, to replace the existing technology system serving the department and its component boards and to charge each board its pro rata share of the cost to replace the system.~~

This bill would, notwithstanding any other provision of law, terminate the term of office of each board member of certain boards within the department on specified and unspecified dates. The bill would subject boards that are scheduled to have their board membership so reconstituted to review by the Joint Committee on Boards, Commissions, and Consumer Protection. The bill would also require the appropriate standing policy committee of the Legislature to investigate board deficiencies and to hold specified public hearings.

~~The bill would also require each board within the department to adopt performance measures, as specified, and report quarterly to the director and the chief of the Office of Consumer Advocate relating to those measures. The bill would also require boards to post the information on their Internet Web site and to report the information to the Legislative Analyst's Office, the Legislature, and the Department of Finance. The bill would require the Office of the Consumer Advocate to report to the Legislature if a board failed to meet its performance measures. The bill would also require those boards to post annually on their~~

~~its Internet Web sites~~
 Site the number of reports in specified categories that it received that year for its licensees.

~~The bill would allow a person to serve as the public member of more than one of these boards and would require all members of these boards, as well as bureau chiefs, to report annually to their appointing authority on their goals and objectives and success in achieving them, which would be posted on the board's Internet Web site~~ executive officer or registrar of more than one board and would make all appointments of an executive officer or registrar subject to approval by the Director of Consumer Affairs and confirmation by the Senate. The bill would require the department to report to the Legislature and Governor if a board

was unable to meet because of a lack of a quorum or vacancy. The bill would require members of these boards and other state boards to report ex parte communications, as defined, in the board's minutes and would require the department to develop a common method of making boards' minutes available to the public . The bill would ~~require~~ authorize boards within the department, the State Bar, the Office of Real Estate Appraisers, and other state boards that license professions or businesses to adopt regulations to provide incentives to licensees to provide services on a pro bono basis and to adopt regulations prior to June 30, 2009, establishing regulatory board staffing requirements.

Bill Number: SB 1402
Introduced: February 21, 2008
Last Amended: June 11, 2008

Author: Corbett
Vote: Majority

Bill Summary:

This bill would require the Board of Chiropractic Examiners (BCE) to disclose, via the Internet, licensing status information, suspensions, and revocations. The bill would require a chiropractor to report to the BCE the bringing of an indictment or information of charges or convictions of any misdemeanor or felony against them. In addition, the bill would require an insurer providing professional liability insurance to a chiropractor to report to the BCE of any settlement or arbitration award of over \$2,000 for certain damages, and would impose a fine for failing to provide timely reports.

Purpose of the Bill:

According to the Author, this bill is intended to increase consumer protection and provide the BCE with information in a timely manner to take appropriate action, if warranted.

Existing Law:

Certain entities within the Department of Consumer Affairs and the Department of Real Estate are required to provide information, excluding personal information, on the Internet relative to the status of every license issued. Insurers providing professional liability insurance to health care professionals are required to send reports to the appropriate licensing agency regarding any settlement or arbitration awards of \$3,000. Certain health care providers are required to report to the appropriate licensing agency the bringing of an indictment and/or information charging or conviction of a felony or misdemeanor against a licensee.

Specifically, this bill would:

- Add the BCE to the entities required to provide licensing status information.
- Require insurers providing liability insurance to report to the BCE any settlement or arbitration award over \$2,000 of a claim or action for damages for death or injury caused by the licensees' negligence, error, or omission in practice, or rendering of unauthorized professional services within 30 days after service of the arbitration award.
- Impose a fine to the insurer providing liability insurance that fails to provide timely reports of \$1, 000 for each day that a report is delinquent.

The fine imposed would be paid to the BCE and available for expenditure upon appropriation by the Legislature.

- Require a chiropractor to report to the BCE a bringing of an indictment, charging of a felony, or misdemeanor against the licensee, within 30 days from the date of an indictment or information of the charges. A licensee that fails to comply with the reporting requirement is subject to a fine not to exceed \$5,000.

Fiscal Impact:

The BCE currently provides licensing status information, suspensions, revocations, and other related enforcement actions, via the Internet. The BCE will experience an increase in workload associated with the review and, possible investigation of the settlement or arbitration reports received from insurance providers. However, the BCE staff believes this would not significantly increase workload, and should be able to be absorbed with existing staff. In addition, with the imposed fine requirements, the BCE may experience an increase in revenue.

LEGISLATIVE COUNSEL'S DIGEST

SB 1402, as amended, Corbett. Reporting requirements.

Existing law provides for the licensure, registration, and regulation of healing arts practitioners by various boards and bureaus, including, but not limited to, the Board of Registered Nursing, the Board of Vocational Nursing and Psychiatric Technicians of the State of California, the Veterinary Medical Board, the Physical Therapy Board of California, the California State Board of Pharmacy, the Speech-Language Pathology and Audiology Board, the Respiratory Care Board of California, the California Board of Occupational Therapy, and the Bureau of Naturopathic Medicine. Existing law requires certain entities within the Department of Consumer Affairs and the Department of Real Estate to provide information, excluding personal information, on the Internet relative to the status of every license issued by the entity, as specified. Existing law requires certain health care providers to report to their licensing boards the bringing of an indictment or information charging a felony against him or her or his or her conviction of a felony or misdemeanor. ~~Existing law requires insurers providing professional liability insurance to certain health care professionals to send a complete report to the applicable licensing entity as to any settlement or arbitration award meeting certain criteria.~~

This bill would add the State Board of Chiropractic Examiners and specified other healing arts boards and bureaus to the entities required to provide the licensing status information. The bill would require a chiropractor to report to the State Board of Chiropractic Examiners the bringing of an indictment or information charging a felony against them or their conviction of any felony or misdemeanor. ~~The bill would also require an insurer providing professional liability insurance to a chiropractor to send a complete report to the Chiropractic Examiners Board, as specified, of any settlement or arbitration award of over \$2,000 of a claim or action for damages meeting certain criteria.~~

Existing law requires insurers providing professional liability insurance to certain health care professionals to send a complete report within a specified time period to the applicable licensing entity as to any settlement or arbitration award over \$3,000 of a claim or action for damages meeting certain criteria.

This bill would require an insurer providing professional liability insurance to a chiropractor to pay a fine for failing to timely provide that report and would, until January 1, 2012, require an insurer providing professional liability insurance to a chiropractor to send that report as to any settlement or arbitration award over \$2,000, as specified.
