BCE List of Prioritized Proposed Regulatory Changes

<u>Proposed Regulation</u>	<u>Proposed Change(s)</u>
Application for Licensure (CCR Section 321)	The BCE will amend the application for licensure to comply with new legislation which will assist agencies in identifying past or present members of the military and their spouses in order to expedite the licensure process for these individuals. Additionally, the regulation would amend the CE regulations for consistency with the provisions of BPC section 114.3 to waive renewal fees, continuing education requirements, and other requirements for active duty members of the U.S. military. Also, the regulation proposes to allow the Board to award up to 16 hours of CE credit to licensees who participate in the review and revision of the California Law and Professional Practices Examination.
Consumer Protection Enforcement Initiative	The proposed changes would add or amend 12 sections within the California Code of Regulations that would establish stricter reporting and disclosure requirements by licensees and applicants and increase the board's enforcement authority and access to critical information for use in investigations.
Uniform Standards for Substance Abusing Licensees	The BCE will need to review and possibly amended the SB 1441 Uniform Standards for Substance Abusing Licensees. Ultimately, the Uniform Standards will be incorporated by reference into the Board's Disciplinary Guidelines.
Delegation of Authority to the Assistant Executive Officer	The proposed regulation would delegate to the Board's Assistant Executive Officer the authority to approve settlement agreements for revocation, surrender, and interim suspension of a license, or allow the Executive Officer to delegate this function to another designee.
Revisions to BCE Disciplinary Guidelines	The BCE's Disciplinary Guidelines are being revised to streamline the enforcement process and provide greater protection to consumers.
Mandatory Cardiopulmonary Resuscitation (CPR) Certification for all licensees	The regulation will add a new section CCR 371.1 which would require as a condition of licensure and license renewal all licensees maintain current CPR certification or basic life support from specified entities approved by the Board. Also, a licensee may earn 2 hours of CE for completion of CPR/BLS course. The regulation would also make technical and clarifying amendments for consistency and clarity.
Comprehensive Revisions/Updates to CCR Article 4 (Sections 330 – 331.16) – Approved Schools & Qualifications of Applicants (Curriculum Requirements)	
Chiropractic Records Retention/Disposition of Patient Records Upon Closure of Practice or Death/Incapacity of Licensee (Amendment to CCR Sections 312.2 and 318)	
CE Requirements (CE Provider and Course Approval)	
Amend or Repeal CCR Section 354 - Successful Examination (Obsolete provision)
