Review and Discussion on the 2017-2019 BCE Strategic Plan Action Items for the Government & Public Affairs Committee

Mr. McCarther reviewed action items the Committee is responsible for and discussed whether those items have been completed or should be carried over for discussion during this meeting.

Mr. McCarther stated that Strategic Plan 3.1, which is to *Establish a process to utilize media outlets to strengthen Board relationships with media and to increase public awareness of Board functions*, has been addressed and it will be an ongoing topic in this Committee. He explained that this item will be discussed later in this meeting.

Mr. McCarther also referred to action item 3.1.1 *Partner with DCA's Office of Public Affairs to identify resources available to increase public awareness* and stated that this item has been completed.

McCarther referred to Strategic Plan 3.2 *Foster relationships with legislators to educate them about the role of the Board in regulating the chiropractic profession* and explained that action item 3.2.1, *Continue to schedule annual meet-and-greets with legislative offices and provide relevant information*, will be discussed later in this meeting.

Mr. McCarther referred to action item 3.2.2 *Create outreach publications and materials educating the public on the complaint process*. He explained that the Committee to plans work closely with the Enforcement Committee to develop outreach materials regarding the complaint process.

Mr. Ruffino inquired if the Committee has established a tentative deadline to work on accomplishing this item with the Enforcement Committee.

Mr. McCarther explained that he will inform Mr. Ruffino of any updates regarding the completion of this item.

Mr. McCarther referred to action item 3.2.3, *Be responsive to inquiries from legislators and their staff*. He shared that the Executive Officer, in consultation with Committee members, is highly responsive to requests from the Legislature.

Mr. McCarther referred to Strategic goal 3.3, *Identify and prioritize opportunities for Board member interactions with schools, associations, and CE providers to educate students and licensees about the role of the Board and better facilitate Reciprocal communication*. He highlighted action item 3.3.1, *Establish a calendar of events sponsored by applicable entities*, and explained that an events calendar has been created. He shared that he is currently populating it with information regarding future events.

Mr. McCarther added that the California Chiropractic Association (CCA) has an online calendar for sponsored events throughout the state, such as regional meetings, and this information has been helpful to the Board. Mr. McCarther stated that he will follow up with CCA on events scheduled for July 2017.

Ms. Dawn Benton, Executive Director of CCA, shared that she will provide the information Mr. McCarther requested given that the CCA's website is temporarily down for maintenance.

Additionally, Mr. McCarther stated the Committee received suggestions from the Department of Consumer Affairs' (DCA) Publications Office regarding future chiropractic events. He added that additional dates will be included on the calendar and this information will be provided to Board members for review.

Mr. Ruffino asked if the Committee can review a draft of the calendar prior to the upcoming Board meeting on July 25, 2017.

Mr. McCarther responded that a Google calendar link will be shared with the Committee to allow access to the calendar at any time.

Mr. Ruffino referred to action item 3.3.2, *Request administrative approval to travel to out-of-state events* and inquired about the status.

Mr. Puleo shared that DCA made recent changes to its out-of-state travel policies and now allows one Board member to take state funded business trips to other states.

Ms. Van Allen reminded the Committee that the law prohibits government funded trips to states discriminating against the LGBT community and explained that Texas has recently been added to the "travel ban list".

Mr. Ruffino agreed that the travel ban limits the Board's out-of-state travel options given that eight states are now placed on the "travel ban list".

Mr. McCarther referred to action item 3.3.6, *Create standard presentation(s) for Board members to present; for example, regarding enforcement, licensing, role of the Board*, and explained that this item will be later addressed in this meeting.

Review, Discussion and Possible Action on the Administrative Procedure Manual

Mr. Ruffino inquired if there are any proposed changes regarding the Administrative Procedure Manual.

Mr. McCarther referred to page 10 of the Administrative Procedure Manual and discussed the mail ballot vote process and the resources available to Board members. He reminded the Board that, in addition to the information contained on the voting sheet, the procedures can also be found in the manual.

Mr. Puleo suggested that it would be beneficial to provide a copy of page 10 to the Board members as a reminder.

Mr. McCarther inquired whether Board members are satisfied with the current method they receive procedural information and asked if they recommend any administrative changes to streamline this process.

Mr. Ruffino shared the Assistant Executive Officer, Ms. Linda Shaw, sends out weekly reminders via e-mails to inform Board members of their mail vote duties.

Dr. Lichtman expressed concerned regarding mail vote e-mail reminders as Board members receive a large amount of e-mails that can be easily missed.

Dr. Lichtman suggested that receiving a fax reminder with a mail vote memorandum page could be an efficient method, given that memos do not contain confidential information.

Mr. Puleo inquired about the possibility of allowing Board members to receive reminders via a group text.

Mr. Ruffino and Dr. Lichtman agreed with Mr. Puleo's suggestion.

Mr. McCarther reiterated that the Committee would like to further discuss these suggestions and present them to the full Board for consideration.

Dr. Lichtman shared that having other methods as an alternative to receiving e-mail reminders is beneficial.

Mr. Ruffino also suggested that instead of receiving e-mail reminders starting with "BCE" on the subject title line, the Board could use the title "Mail Vote" at the start of the subject line so the process of searching these e-mails is streamlined.

Mr. Puleo expressed reservations regarding Mr. Ruffino's proposal because it can be time consuming for Board members to search through a large list of e-mails with the same subject title populated in a search.

Dr. Lichtman suggested that maintaining consistency is more beneficial because it gives him access to previous mail vote requests without having to change the search for future e-mails of the same nature.

Mr. Ruffino proposed replacing the current e-mail reminders from Ms. Shaw with a group text.

Mr. Ruffino inquired about the percentage of Board members' response regarding mail votes and whether they have complied with voting requirements.

Mr. Puleo responded that each Board member is expected to vote 75% of the time and they have been in compliance. Additionally, he explained that the Board can move forward with a vote if 4 out of 7 Board members complete the voting process.

Mr. Ruffino emphasized the importance of staff reminding Board members about their duty to vote.

Mr. Puleo shared that staff has made continuous efforts to remind Board members about their voting requirements at Board meetings.

Discussion and Possible Action on the Annual Legislative Meet and Greets (Strategic Plan Goal 3.2)

Mr. Puleo explained that the annual legislative meet-and-greets take place in November and they were first introduced to the Board three years ago. He discussed the current process to meet with legislative staff at the Senate and Assembly Business and Profession Committees, the Republican Caucus and various agencies as their members are out of session in November.

Mr. Puleo shared that these meet-and-greets have become repetitive and lack substantive discussion topics as the Board communicates with legislative staff regarding pressing matters on a regular basis.

Mr. Puleo suggested that these meet-and-greets, which last 1-2 days, be substituted with as needed face-to-face meetings that would address specific issues.

Dr. Lichtman inquired about the Board's attempts to meet with legislative staff that it is not acquainted with.

Mr. Puleo provided a brief overview of the Board's legislative process, which consists of mainly working with legislators on the Senate and Assembly Business and Profession Committees. He explained that meeting their staff is beneficial because they have a direct line of communication with legislators and advise them on various matters before their Committees.

Mr. Puleo provided an example of a recent meeting with the Chair of the Assembly Business Professions Committee, Assemblymember Low. The meeting focused on the Board seeking a license renewal fee increase. He added that the Board has been working closely with Assemblymember Low on this bill and he is supportive of the Board's position in this matter.

Additionally, Mr. Puleo discussed the Board's process when it encounters a legislator who resists the Board's position on an issue. He explained that the Board provides supporting documentation to the legislator's staff and addresses any concerns. Mr. Puleo emphasized that this is an efficient legislative strategy as opposed to waiting for the meet-and-greets that take place in November.

Mr. Ruffino recommend that the Committee takes a strategic approach and schedule these meetings on an as-needed-basis.

**MOTION: DR. LICHTMAN MOVED TO REMOVE THE REQUIRED ANNUAL LEGISLATIVE MEET AND GREETS WITH SUBSTITUTION OF FOCUSED MEETINGS AS NEEDED.
SECOND: MR. RUFFINO SECONDED THE MOTION**

Ms. James asked if this motion would change the completion date in the Strategic Plan to as needed.

Mr. McCarther responded that the Committee will make an amendment and notify the Board.

Dr. Lichtman inquired whether the focused meeting locations will be limited to Sacramento.

Mr. Puleo stated that these meetings will most likely be held in Sacramento. However, if necessary, they can take place at the legislators' district offices.

VOTE: (2-0) (DR. LICHTMAN – AYE, MR. RUFFINO – AYE)

MOTION CARRIED

Update on Efforts to Increase Public Awareness of the BCE (Strategic Plan Goal 3.1)

Mr. McCarther stated that staff and the Executive Officer met with the Deputy of DCA's Office of Public Affairs, Veronica Harms, and discussed effective ways to increase public awareness of Board functions and strengthen the process of utilizing social media outlets. Mr. McCarther shared this strategic goal will be ongoing as the Board is considering social media strategies discussed at the meeting.

Mr. Ruffino inquired about the outcome of this meeting.

Mr. Puleo responded that he is encouraged by the outcome because DCA is working on enhancing the intradepartmental communication and is also leveraging its resources to make outreach efforts on behalf of the boards and bureaus.

Dr. Lichtman asked if other boards have expressed a similar opinion.

Mr. Puleo shared that he has spoken with executive officers from other boards and many believe that this goal was not taken seriously in the past. However, it has recently been steered in a new direction to challenge the status quo.

Additionally, Mr. Puleo stated that boards and bureaus lack resources to make outreach efforts and added that DCA appears to be responsive to their needs.

Mr. McCarther emphasized the success of the meeting with the DCA's Office of Public Affairs and addressed the creation of content bank, a social media strategy discussed at the meeting. He proposed creating a social media campaign to target top 10 violations, develop 5 posts and share them over the course of a month. As a result, the Board would have the ability to post various topics consistently by using social media outlets. Mr. McCarther stated that this is an effective way of attaining followers.

Mr. McCarther proposed that the Committee should share this social media strategy with the Board as it can provide additional input to the staff creating the content bank.

Mr. Puleo stated that the Board will review the suggested content and submit it to the legal counsel to ensure it is appropriate prior to its publication.

Mr. Puleo asked the Committee to share any suggestions regarding social media strategies that can be beneficial to the public, the profession and the Board.

Update on Public Outreach Presentation (Strategic Plan Action Item 3.3.6)

Mr. McCarther provided a brief overview of the updated presentation Dr. Lichtman requested. He stated that it is available to the Board members should they desire to make a public presentation with supporting material.

Mr. Ruffino shared that the updated version of the presentation is satisfactory and recommended that Board members become familiar with the information provided for talking points at future presentations.

Mr. Ruffino inquired whether this updated version of the presentation was used at the last California Chiropractic Association (CCA) convention on June 1-4, 2017 and what was the feedback.

Mr. Puleo explained that he and Dr. Dehn delivered the presentation to a small audience.

Ms. Benton provided positive feedback regarding the Board's presentation. She apologized for the small audience and explained that CCA's members usually attend Continuing Education presentations (CE) as it is a topic of interest to them. Ms. Benton added that CCA is working on creating a culture that welcomes a wider range of topics for discussion other than CE.

Mr. Puleo suggested that the Board could tailor CE courses to ensure licensees are exposed to valuable information and aware of the Board's role.

Mr. Puleo thanked Ms. Benton and CCA for providing the Board the opportunity to attend the CCA convention. He shared that the Board was able to gather a list of e-mail addresses from licensees to join the Board's mailing list.

Mr. Ruffino shared that he is pleased with the outcome of the CCA's convention and welcomed CCA to provide feedback on how the Board can improve its presentations.

Mr. Puleo added that, during the CCA convention, a significant number of licensees did not express interest in the Board's publication materials. He suggested that the Board should consider the resources available at various events to better disseminate these publication materials.

Public Comment

Ms. Benton inquired about travel arrangements and additional details regarding the upcoming Board meeting on July 25, 2017.

Mr. Puleo explained that the upcoming Board meeting location is approximately one hour from the airport. The meeting will start at 9:30 a.m. and should be concluded by 4:30 p.m.

Ms. Benton announced that CCA has moved their annual meeting from June to October. Additionally, she shared that CCA will be celebrating its 90th anniversary in 2018 and she extended an invitation to the Board. She suggested the Board take this opportunity to conduct a presentation.

Ms. Benton informed the Board that CCA has changed its suite number to 200. She explained that it is a minor address update but wanted to ensure the Board is aware of it.

Ms. Benton provided a recommendation to the Board regarding future presentations at CCA's events. She explained that it would be helpful that the Board adds historical background information to its presentation slides and also discusses its mission, vision and goals. Additionally, she suggested that the Board provide an overview on current topics of discussion and identifies significant issues that are being addressed.

Mr. Puleo agreed with Ms. Benton's suggestion and stated that the Board will work on making some changes related to presentation materials.

Message from the Board Chair

The Board of Chiropractic Examiners is pleased to present its 2017-2019 Strategic Plan. The strategic planning process has been a collaborative effort between BCE members, staff, and the public.

This plan reflects the Board's continued commitment to work closely with stakeholders (chiropractic professionals, professional associations, California chiropractic colleges, and others who expressed interest in the strategic direction of the Board) to meet its mission to protect the health, welfare, and safety of the public through licensure, education, and enforcement in chiropractic care.

We are proud to have accomplished the overwhelming majority of the goals from the 2014-2017 Strategic Plan and with this new blueprint we will continue to move forward as an effective and efficient organization. In this document, we have identified key issues, goal areas for which the Board will be accountable, and actions we will take to get there.

As the Board embarks upon this exciting time in the profession's history, we continue to invite all stakeholders to work with us over the next three years to achieve the goals outlined in the strategic plan.

The Board remains committed to providing the highest level of service as we undertake these endeavors.

Sergio Azzolino, D.C

Chair, Board of Chiropractic Examiners

About the Board

The Board of Chiropractic Examiners (BCE) regulates the chiropractic profession in California. We protect Californians from licensed and unlicensed individuals who engage in the fraudulent, negligent, or incompetent practice of chiropractic. The BCE oversees approximately 14,000 licensees and 19 chiropractic schools and colleges located throughout the United States and Canada.

The BCE was created on December 21, 1922, as the result of an initiative measure approved by the people on November 7, 1922. Governed by a seven member board appointed by the Governor, the board is comprised of five licensed doctors of chiropractic and two members who represent the public. Board members serve four year terms. The board employs an executive officer to lead a professional staff responsible for licensing, continuing education, enforcement, administrative, and other regulatory responsibilities. The executive officer serves at the pleasure of the board.

The BCE's annual budget is funded exclusively by the profession through licensing and other regulatory fees. The BCE does not receive any general fund monies. The BCE allocates approximately 70% of its total operating budget to enforcement related activities.

Strategic Planning Process

To understand the environment in which the Board operates and identify factors that could impact the Bureau’s success, the California Department of Consumer Affairs’ SOLID unit conducted an environmental scan of the internal and external environments by collecting information through the following methods:

- An online survey sent to stakeholders, comprised of industry professionals, professional associations, California colleges, continuing education providers and others who expressed interest in the strategic direction of the Board. The online survey received 159 responses.
- Telephone interviews with seven Board members in May and June 2016.
- Two focus group discussion with Board staff and managers in May 2016.

STAKEHOLDERS BREAKDOWN

Stakeholder Group	Number	% of Total

Professional Associations	6	4%

The most significant themes and trends identified from the environmental scan were discussed by the Board during a strategic planning session facilitated by SOLID on July 28, 2016. This information guided the Board in the review of its mission, vision, and values, while directing the strategic goals and objectives outlined in this 2017 – 2019 Strategic Plan.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Board Member Attendance at Board Meetings (Board Policy)

Being a Member of the Board is a serious commitment of time and effort to the governor, and the people of the State of California. Board Members shall attend a minimum of 75% of all scheduled committee meetings and scheduled Board meetings. In extraordinary circumstances, the Chair may excuse a Board Member from this obligation. If a Member is unable to attend a Board Meeting, he or she must contact the Board Chair or the Executive Officer, and provide a verbal notice followed by a written explanation of their absence as soon as possible thereafter.

Public Attendance at Board Meetings (Government Code Section 11120 et seq.)

Meetings are subject to all provisions of the Bagley-Keene Open Meeting Act. This Act governs meetings of the state regulatory Boards and meetings of committees of those Boards where the committee consists of more than two Members. It specifies meeting notice, agenda requirements, and prohibits discussing or taking action on matters not included on the agenda. If the agenda contains matters which are appropriate for closed session, the agenda shall cite the particular statutory section and subdivision authorizing the closed session.

Agenda Items (Board Policy)

Board Members may submit agenda items for a future Board meeting during the "Future Agenda Items" section of a Board meeting or directly to Executive Officer 21 days prior to a Board meeting

Agenda item requests shall be placed on the Board or Committee meeting agenda within two meetings from receipt of the original request.

In the event of a conflict in scheduling an agenda topic, the Board Secretary will discuss the proposed agenda item with the Board Chair, and the Board Chair shall make the final decision to schedule the item at the upcoming or following Board Meeting. The Board Secretary will work with the Executive Officer to finalize the agenda.

Notice of Meetings (Government Code Section 11120 et seq.)

Meeting notices, including agendas, for Board meetings will be sent to persons on the Board's mailing list at least 10 calendar days in advance, as specified in the Bagley-Keene Open Meeting Act. The notice shall include a staff person's name, work address, and work telephone number who can provide further information prior to the meeting.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Notice of Meetings Posted on the Internet (Government Code Section 11125 et seq.)

Meeting notices shall be posted on the Board's web site at least 10 days in advance of the meeting, and include the name, address, and telephone number of staff who can provide further information prior to the meeting.

Board Meeting Locations (Board Policy – 2013 Strategic Plan)

The Board holds meetings at various geographic locations throughout the state to increase accessibility. It is recommended that at least one meeting per year is held in Sacramento, one in Southern California, and one at a California Chiropractic College. All meeting locations will be scheduled subject to available space and budget limitations.

E-Mail Ballots (Government Code Section 11526 and Board Policy)

The Board must approve any proposed decision or stipulation before the formal discipline becomes final and the penalty can take effect.

Proposed stipulations and decisions are e-mailed to each Board Member for his or her vote. For stipulations, a background memorandum from the assigned deputy attorney general accompanies the e-mail ballot. A two-week deadline generally is given for the e-mail ballots for stipulations and proposed decisions to be completed and returned to the Board's office.

Board Members are required to submit a vote on no less than 75% of proposed stipulations and decisions provided for review. If a Board Member is unable to meet this minimum requirement, the Board Member may be subject to a conversation from the Board Chair or Vice Chair.

Holding Disciplinary Cases for Board Meetings (Board Policy)

When voting on e-mail ballots for proposed disciplinary decisions or stipulations, a Board Member may wish to discuss a particular aspect of the decision or stipulation before voting. If this is the case, the ballot must be marked "hold for discussion," and the reason for the hold must be provided on the mail e-ballot. This allows staff the opportunity to prepare information being requested.

If one vote is cast to hold a case for discussion, the case is set aside and not processed (even if four votes have been cast on a decision). Instead the case is scheduled for a discussion during a closed session at the next Board meeting.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

If the matter is held for discussion, staff counsel will preside over the closed session to assure compliance with the Administrative Procedure Act and Open Meeting Act.

If the Board Member is comfortable voting on the matter, but wishes to discuss the policy behind the decision or case, the ballot should be marked "Policy Issue for Discussion. I have voted above. Issue: _____." The Executive Officer will respond directly to the Member. If still unresolved or if the matter is to be referred to the Board, the policy issue will be placed on the agenda for discussion at the next Enforcement Committee Meeting.

Any time a Member votes to "hold for discussion" the Chair, EO and Legal Counsel will discuss the Member's concern(s) for educational purposes and to evaluate if any administrative policy modifications should be proposed.

Record of Meetings (Board Policy)

All original video and audio recordings are to be maintained and archived indefinitely and never destroyed. The typed minutes are only a summary, not a transcript, of each Board meeting. They shall be prepared by Board staff and submitted for review by Board Members before the next Board meeting.

Board minutes must be approved or disapproved at the next scheduled meeting of the Board. When approved, the minutes shall serve as the official record of the meeting. The minutes of each Board meeting shall be maintained for 27 years per the Board's retention schedule.

Recording (Government Code Section 11124.1(b))

The meeting may be audio and video recorded by the public or any other entity in accordance with the Bagley-Keene Open Meeting Act, the members of the public may tape record, videotape or otherwise record a meeting unless they are disruptive to the meeting and the Chair has specifically warned them of their being disruptive, then the Chair may order that their activities be ceased.

The Board may place audio and video recorded public board meetings on its web site at www.chiro.ca.gov.

Meeting Rules (Board Policy)

The Board will use Robert's Rules of Order, to the extent that it does not conflict with state law (e.g., Bagley-Keene Open Meeting Act or other state

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

laws or regulations), as a guide when conducting the meetings. Questions of order are clarified by the Board's legal counsel.

Public Comment (Board Policy)

Public comment is always encouraged and allowed, however, if time constraints mandate, time limits may be imposed at the discretion of the Chair. Due to the need for the Board to maintain fairness and neutrality when performing its adjudicative function, the Board shall not receive any information from a member of the public regarding matters that are currently under or subject to investigation, or involve a pending or criminal administrative action.

1. If, during a Board meeting, a person attempts to provide the Board with any information regarding matters that are currently under or subject to investigation or involve a pending administrative or criminal action, the person shall be advised that the Board cannot properly consider or hear such substantive information and the person must be instructed to refrain from making such comments.
2. If, during a Board meeting, a person wishes to address the Board concerning alleged errors of procedure or protocol or staff misconduct involving matters that are currently under or subject to investigation or involve a pending administrative or criminal action, the Board will address the matter as follows:
 - a. Where the allegation involves errors of procedure or protocol, the Board may designate either its Executive Officer or a Board employee to review whether the proper procedure or protocol was followed and to report back to the Board.
 - b. Where the allegation involves significant staff misconduct, the Board shall direct the Executive Officer to review the allegation and to report back to the Board.
3. The Board may deny a person the right to address the Board and have the person removed if such person becomes disruptive at the Board meeting. The Board accepts the conditions established in the Bagley-Keene Open Meeting Act and appreciates that at times the public may disapprove, reprimand, or otherwise present an emotional presentation to the Board, and it is the Board's duty and obligation to allow that public comment, as provided by law.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

CHAPTER 3. Travel & Salary Policies & Procedures

Board related travel incurs additional expenses and potential liabilities. The State incurs liability risk any time a Board member travels to represent the BCE, regardless of whether the Board member pays for their own travel expenses. Board members must complete the appropriate paperwork and follow established policies and procedures for timely reimbursement of travel claims.

Travel Approval (Board Policy)

Travel arrangements for regularly scheduled Board meetings and committee meetings do not require prior approval. Any other Board related travel requires preapproval by the Board Chair and Executive Officer. Expenses and per diem reimbursement are provided to Board members in accordance with established State travel reimbursement rules.

Travel Arrangements (Board Policy)

Board Members who prefer to make their own travel arrangements are encouraged to coordinate with the Staff Travel Liaison on lodging accommodations. You need to obtain an original receipt to submit for reimbursement. Always seek hotels that charge the state rate. Preauthorization is required if the state rate is to be exceeded.

Out-of-State Travel (SAM Section 700 et seq.)

Out-of-state travel for all persons representing the state of California is controlled and must be approved by the Governor's Office. Permission for out-of-state travel must be obtained through the Executive Officer. Individual Board Members can not authorize out-of-state travel. Board Members will be reimbursed for actual lodging expenses, supported by vouchers, and will be reimbursed for meal and supplemental expenses. Keep all original receipts and submit with your travel expense claim.

Travel Claims (SAM Section 700 et seq.)

Rules governing reimbursement of travel expenses for Board Members are the same as for management-level state staff. All expenses shall be claimed on the appropriate travel expense claim forms. The Board Liaison maintains these forms and completes them as needed.

The Executive Officer's travel and per diem reimbursement claims shall be submitted to the Board Chair for approval.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

It is advisable for Board Members to submit their travel expense forms immediately after returning from a trip and not later than thirty days following the trip.

Salary Per Diem

The term "day actually spent in the discharge of official duties" shall mean such time as is expended from the commencement of a Board or committee meeting until that meeting is adjourned.

2. For Board-specified work, Board Members will be compensated for actual time spent performing work authorized by the Board Chair. This may also include, but is not limited to, authorized attendance at other gatherings, events, meetings, hearings, or conferences, such as the FCLB, NBCE, CE, Ambassador at Large, Lectures, etc.. BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

be submitted in writing to the Chair for approval and a copy provided to the Executive Officer. However, Board Members should recognize that even when representing themselves as “individuals,” their positions might be misconstrued as that of the Board and a BCE Member must use their best effort to continue to clarify this separation.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

CHAPTER 4. Board Officers & Committees

Officers of the Board (§3 Initiative Act)

The Board shall elect at the first meeting of each new year a Chair, Vice Chair and Secretary from the Members of the Board as specified in the Initiative Act.

Officer Vacancies (Board Policy)

The chain of administrative protocol starts with the Chair. If unavailable or recused, the Vice-Chair shall take over the duties of the Chair until the Chair returns. If the Vice-Chair is unavailable, the Secretary shall take over the duties of the Chair until the Vice Chair or Chair returns.

If the Chair becomes unable to fulfill their duties, the Vice-Chair will become the Chair until the next scheduled election. The new Chair may appoint their choice of Vice-Chair. The Secretary will remain the same. If any other officer (Vice-Chair or Secretary) becomes unavailable, the Chair shall appoint a replacement until the next general elections.

Communication Between Officers (Board Policy)

The Chair, Vice-Chair and Secretary must have timely and effective communication for the efficient operation of the BCE. Failure to respond to email correspondences or failing to address specific topics is inconsistent with professionalism and if a repetitive failure to communicate persists, this will be discussed in a meeting with that officer the Chair and EO to resolve the concern. If all parties agree that communication can not be resolved, the Chair may agendize the ongoing concern and, if necessary, call for a special election at the next full Board Meeting.

Committee Appointments (Board Policy)

The Chair shall establish committees, whether standing or special, as he or she deems necessary.

The composition of the committees and the appointment of the Members shall be determined by the Board Chair. The Chair may consult with the Vice Chair or Secretary and the Executive Officer. BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

The Board Chair designates one member of each committee as the committee's chairperson.

The committee chair will work with the Executive Officer and the Board Chair to set the committee's goals and meeting agendas. The Committee Chair coordinates the committee's work, ensures progress toward the Board's priorities, and presents reports at each meeting.

CHAPTER 6. Board Administration & Staff

Executive Officer (§3 Initiative Act)

The Board employs an Executive Officer and establishes his/her salary in accordance with the State law.

The Executive Officer is responsible for the financial operations and integrity of the Board, and is the official custodian of records. The Executive Officer is an “exempt” employee, who serves at the pleasure of the Board, and may be terminated, in accordance with the provisions of the Bagley-Keene Open Meeting Act.

Executive Officer Evaluation (Board Policy)

At the first Board meeting of each fiscal year or at any time thereafter as determined by the Board, the Board evaluation of the Executive Officer is presented by the Board Chair, or his/her Board Member designee, during a closed session. Board Staff (§4 Initiative Act)

Employees of the Board, with the exception of the Executive Officer, are civil service employees. Their employment, pay, benefits, discipline, termination, and conditions of employment are governed by myriad civil service laws and regulations and often by collective bargaining labor agreements.

Because of this complexity, the Board delegates this authority and responsibility for management of the civil service staff to the Executive Officer as an instrument of the Board.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Board Members may express any staff concerns to the Executive Officer but shall refrain from involvement in any civil service matters. Board Members shall not become involved in the personnel issues of any state employee.

The Executive Officer or his/her designee shall communicate regularly with DCA's Budget Office and report all issues to the Board.

Strategic Planning (Board Policy)

The Board must develop a strategic plan once every three years, beginning in 2013. The Government Affairs Committee shall have overall responsibility for the Board's strategic planning process and shall assist staff in the monitoring and reporting of the strategic plan to the Board.

Periodic Fee Audit (Board Policy)

The Board shall periodically conduct a fee audit to determine if the revenue earned from current fees is sufficient to maintain the Board's reserve and solvency into the future. The Board shall conduct the fee analysis every three to five years using the 2017 methodology. Finally, at the Board Meeting proceeding the completion of the report, the results of the fee audit shall be provided to the Board for review.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

CHAPTER 7. Other Policies & Procedures

Terms and Removal of Board Members

(§2 Initiative Act)

The Governor shall appoint the Members of the Board. Each appointment shall be for the term of four years, except that an appointment to fill a vacancy shall be for the unexpired term only. Each Member shall serve until his successor has been appointed and qualified or until one year has elapsed since the expiration of his term whichever first occurs.

No person shall serve more than two consecutive terms on the Board nor be eligible for appointment thereafter until the expiration of four years from the expiration of such second consecutive term, effective January 2, 1974. The Governor may remove a Member from the Board after receiving sufficient proof of the inability or misconduct of said Member.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Resignation of Board Members (Board Policy)

In the event that a Board Member chooses to resign, the Board Member or the Executive Officer should notify the Governor's Office of Appointments.

Conflict of Interest (Government Code Section 87100)

Board Members are responsible for complying with the California Political Reform Act (Government Code Sections 81000-91014).

Board Members must file a Statement of Economic Interest (Form 700) upon appointment to office, upon leaving office, and on an annual basis in between.

No Board Member may make, participate in making, or in any way attempt to use his or her official position to influence a governmental decision in which he or she knows or has reason to know he or she has a financial interest.

Any Board Member who has a financial interest shall disqualify him or herself from making or attempting to use his or her official position to influence the decision.

Any Board Member who feels he or she is entering into a situation where there is a potential for a conflict of interest should immediately consult the Executive Officer or the Board's legal counsel.

Contact with Licensees and Applicants (Board Policy)

Board Members shall not intervene on behalf of a licensee or applicant for licensure for any reason. They should forward all correspondence, contacts or inquiries to the Executive Officer.

Contact with Respondents (Board Policy)

Board Members should not directly participate in complaint handling and resolution or investigations. To do so would subject the Board Member to disqualification in any future disciplinary action against the licensee.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Board Members should not discuss pending disciplinary matters with any parties to such matters, including the respondent, his/her attorney, BCE enforcement staff, and DAGs. If a Board Member is contacted by a party to a disciplinary matter, the Board Member should refer the individual to the Executive Officer. When in doubt, the Board Member should seek advice from the Executive Officer or the Board's Legal Counsel.

Service of Legal Documents (Board Policy)

If a Board Member is personally served as a party in any legal proceeding related to his or her capacity as a Board Member, he or she must contact the Executive Officer immediately.

Serving as an Expert Witness (Executive Order 66.2)

Pursuant to Executive Order 66-2, no employment, activity, or enterprise shall be engaged in by any gubernatorial appointee which might result in, or create the appearance of resulting in any of the following:

1. Using the prestige or influence of a State office for the appointee's private gain or advantage.
2. Using state time, facilities, equipment, or supplies for the appointee's private gain or advantage, or the private gain or advantage of another.
3. Using confidential information acquired by virtue of State involvement for the appointees private gain or advantage, or the private gain or advantage of another.
4. Receiving or accepting money or any other consideration from anyone other than the State for the performance of an act which the appointee would be required or expected to render in the regular course of hours of his or her State employment or as a part of the appointee's duties as a State officer.

Request for Grants (Board Policy)

All requests for funding allocations to Board specific projects shall be approved by the Board during a regularly scheduled meeting.

Any requests for grants outside of Board business or projects must be made by the Executive Officer at the Chair's direction. If a Board Member makes an individual request, a copy of the request shall be forwarded to the Executive Officer as soon as possible.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

The mechanism for receipt, management, and dispersal of funds shall be pre-arranged and approved by the Board.

Gifts from Licensees and Applicants (Board Policy)

Gifts of any kind create potential obligations or conflicts of interest and should therefore be declined or reported pursuant to the California Political Reform Act.

Ex Parte Communications (Government Code Section 11430.10 et seq.)

The Government Code contains provisions prohibiting ex parte communications. An “ex parte” communication is a communication to the decision-maker made by one party to an enforcement action without participation by the other party. While there are specified exceptions to the general prohibition, the key provision is found in subdivision (a) of section 11430.10, which states:

“While the proceeding is pending, there shall be no communication, direct or indirect, regarding any issue in the proceeding to the presiding officer from an employee or representative of an agency that is a party or from an interested person outside the agency, without notice and an opportunity for all parties to participate in the communication.”

Board Members are prohibited from an ex parte communication with Board enforcement staff, a licensee or a respondent while a proceeding is pending.

Occasionally, an applicant who is being formally denied licensure, or a licensee against whom disciplinary action is being taken, will attempt to directly contact Board Members. If the communication is written, the person should read only far enough to determine the nature of the communication. Once he or she realizes it is from a person against whom an action is pending, they should reseal the documents and send them to the Executive Officer.

If a Board Member receives a telephone call from an applicant under any circumstances or licensee against whom an action is pending, he or she should immediately tell the person they cannot speak to them about the matter and inform the Executive Officer and the Board’s legal counsel.

If the person insists on discussing the case, he or she should be told that the Board Member will be required to recuse him or herself from any participation in the matter. Therefore, continued discussion is of no benefit to the applicant or licensee.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

If a Board Member believes that he or she has received an unlawful ex parte communication, he or she should contact the Executive Officer and the Board's legal counsel.

The Honoraria Prohibition (Government Code Section 89503) (FPPC Regulations, Title 2, Division 6)

As a general rule, Members of the Board should decline honoraria for speaking at, or otherwise participating in, professional association conferences and meetings. A Member of a state Board is precluded from accepting an honorarium from any source, if the Member would be required to report the receipt of income or gifts from that source on his or her statement of economic interest.

Board Members are required to report income from, among other entities, professional associations and continuing education providers. Therefore, a Board Member should decline all offers for honoraria for speaking or appearing before such entities.

There are limited exceptions to the honoraria prohibition. The acceptance of an honorarium is not prohibited under the following circumstances: (1) when a honorarium is returned to the donor (unused) within 30 days; (2) when an honorarium is delivered to the State Controller within thirty days for donation to the General Fund (for which a tax deduction is not claimed); and (3) when an honorarium is not delivered to the Board Member, but is donated directly to a bona fide charitable, educational, civic, religious, or similar tax exempt, non-profit organization.

In light of this prohibition, Members should report all offers of honoraria to the Board Chair so that he or she, in consultation with the Executive Officer and staff counsel, may determine whether the potential for conflict of interest exists.

Board Member Orientation (Business & Professions Code Section 453 and Board Policy)

B&P Section 453 requires every newly appointed Board Member, within one year of assuming office, to complete a training and orientation program offered by DCA regarding, among other things, his or her functions, responsibilities, and obligations as a Member of a Board.

Per DCA Legal Opinion, Board Member Orientation Training is required for newly appointed Board Members and reappointed Board Members as every appointment is considered a new appointment.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

It is the BCE's policy that new Board Members shall, to the extent possible complete the orientation training within six months of assuming office. Additional training shall be provided at the request of the Board or individual Board Members.

Ethics Training

(Government Code Section 11146)

California law requires all appointees to take an ethics orientation within the first six months of their appointment and to repeat this ethics orientation every two years throughout their term.

Sexual Harassment Prevention Training

(Government Code Section 12950.1)

Board Members are required to undergo sexual harassment prevention training and education once every two years. Staff will coordinate the training.

Board Member Onboarding and Orientation

(Board Policy - 2013 BCE Strategic Plan)

Within six months of initial appointment, each new Board Member shall travel to the Board office in Sacramento for orientation and onboarding meetings with the Executive Officer and one Board Member (as assigned by the Board Chair). Prior to the orientation, the new Board Member shall review their Board Member binder (provided by Board staff), and prepare questions for discussion. Items to be covered in this meeting include introductions to Board staff, review of staff roles and responsibilities, administrative processes, historical information about the Board, collaboration between staff and Board Members and overall expectations. The Executive Officer shall notify the Board Chair once the meeting has occurred.

Injury to a Board Member

(Labor Code Section 4600)

If you are or believe you may have been injured, notify the Executive Officer. Injuries are required to be reported and this assists the Executive Officer in remaining compliant with the Labor Code Rules and Regulations. The reported injury will be reviewed by State Compensation Insurance Fund. They have the option to either accept or deny that claim. If the claim is denied, and you believe you have a legitimate claim, you should consult with an attorney. If the claim of injury is accepted by the insurance carrier, then treatment is provided in accordance with the California Labor Code (L.C.). Specifically: L.C. 4600(a) Medical, surgical, chiropractic, acupuncture, and hospital treatment, including nursing, medicines, medical and surgical supplies, crutches, and apparatuses, including orthotic and prosthetic devices and

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

services, that is reasonably required to cure or relieve the injured worker from the effects of his or her injury shall be provided by the employer.

If You Have Additional Questions: Ask the Executive Officer or Staff Counsel. You can also call the Department of Industrial Relations, Division of Workers Compensation at (800) 736-7401 or go to the DWC web site at <http://www.dir.ca.gov/dwc>.

2018 Legislation Update

Purpose of the item

This agenda item has been included to provide the Board with an update on the 2018 legislative session.

Action(s) requested

No action requested at this time.

Background

Board staff is monitoring several bills that were introduced during the 2018 legislative session. Most of these bills would have potential minor programmatic impact on the Board but raise no significant policy issues. At this time, no bills require the Board to take a position.

SB 547 (Hill), Chapter 429, Statutes of 2017, temporarily increased the renewal fee for a chiropractic license from \$250 to \$300 to avoid Board insolvency.

AB 1013 (Low) amends the Chiropractic Initiative Act to return the temporary license renewal fee from \$300 to \$250 and makes non-substantive technical changes.

However, AB 1013 is a spot bill. The Executive Officer has been working with the legislature to place Board fees into statute based upon the recommendations from the 2017 Fee Audit.

The bill currently resides in Senate Rules Committee.

Recommendation(s)

Staff does not have any recommendations at this time.

ASSEMBLY BILL

No. 1013

An act to amend ~~Section 3517 of the Government Code, relating to public employment.~~ *an initiative act entitled “An act prescribing the terms upon which licenses may be issued to practitioners of chiropractic, creating the State Board of Chiropractic Examiners and declaring its powers and duties, prescribing penalties for violation hereof, and repealing all acts and parts of acts inconsistent herewith” approved by voters November 7, 1922, (the Chiropractic Act) by amending Sections 5 and 12 of the act, relating to chiropractors.*

LEGISLATIVE COUNSEL’S DIGEST

AB 1013, as amended, Low. ~~Public employment.~~ *Chiropractors.*

Existing law, the Chiropractic Act, enacted by initiative, provides for the licensure and regulation of chiropractors by the State Board of Chiropractic Examiners. Under the act, on and after January 1, 2019, each person practicing chiropractic, after a license has been issued, is annually required to pay the board a renewal fee of \$250. Existing law authorizes the Legislature to fix these fees. Existing law directs the deposit of these funds into the State Board of Chiropractic Examiners’ Fund, a continuously appropriated fund.

This bill, on and after January 1, 2019, would revise the annual renewal fee to be no more than \$250, as determined by the board. The bill would also make additional nonsubstantive changes.

~~Existing law governing state employer-employee relations requires the Governor or his or her representative, as properly designated by~~

law, to meet and confer in good faith regarding wages, hours, and other terms and conditions of employment with representatives of recognized employee organizations, and to consider fully any presentation that is made by an employee organization on behalf of its members prior to arriving at a determination of policy or course of action.
