Agenda Item 8
October 14, 2016

Ratification of Denied License Applications

Purpose of the item

The Board will review and ratify denied license applications in which an applicant did not appeal the Board's decision.

Action(s) requested

No action requested at this time.

Background

The Board of Chiropractic Examiners denies licensure to applicants who do not meet all statutory and regulatory requirements for a chiropractic license in California. Following a denial of licensure, an applicant has 60-days to appeal the Board's decision. If the applicant does not submit an appeal to the Board, the denial is upheld.

Recommendation(s)

During the period of July 1, 2016 to September 30, 2016, staff has reviewed and confirmed that one (1) applicant did not meet all statutory and regulatory requirements for licensure. The applicant has not yet appealed the decision but is still within the 60-days time period.

At this time, no ratification is necessary.
