

BOARD OF CHIROPRACTIC EXAMINERS PUBLIC SESSION MINUTES

July 16, 2020
Teleconference

Board Members Present

David Paris, D.C., Chair
Dionne McClain, D.C., Vice Chair
Frank Ruffino, Secretary
Sergio Azzolino, D.C.
Heather Dehn, D.C.

Staff Present

Robert Puleo, Executive Officer
Marcus McCarther, Assistant Executive Officer
Michael Kanotz, Senior Attorney
Clay Jackson, Attorney
Dixie Van Allen, Licensing and Continuing Education Manager I
Kristin Walker, Enforcement Manager I
Natalie Boyer, Licensing Analyst
Amanda Campbell, Licensing Analyst

Call to Order

Dr. Paris called the meeting to order at 9:03 a.m.

Roll Call

Dr. McClain called the roll. With the exception of Mr. Ruffino, all members were present. A quorum was established. Mr. Ruffino joined the meeting at approximately 10:10 a.m.

Chair's Report

Dr. Paris stated the Board of Chiropractic Examiners (Board) and staff are meeting the demands of the COVID-19 pandemic. He referenced the June 4, 2020 special meeting where the Board discussed pursuing emergency regulations or a curriculum waiver to assist schools during the COVID-19 pandemic. He noted a curriculum waiver request was submitted to the Department of Consumer Affairs and the Board is awaiting a response. Dr. Paris stated his main goal for this meeting is to resume Board business following disruptions experienced since the onset of the pandemic.

Dr. Paris discussed the NBCE Part IV exam administration where he and Dr. Dehn served as examiners. He expressed pride in the improved education facilities. Dr. Paris also participated in the NBCE Part IV exam development in Colorado.

Dr. Paris noted Board Members and staff have been inundated with calls from licensees and CE providers expressing concerns about the impact of COVID-19. He commended staff for their responsiveness.

Dr. Paris urged licensees to follow the guidelines set by the Center for Disease Control (CDC) and California Department of Public Health (CDPH).

Discussion: Dr. McClain stated that she also attended testing in Dallas, Texas and was impressed by their facilities and students.

Dr. Paris thanked Dr. McClain and stated how important it was for the Board to get a wide view of testing in different areas.

Public Comment: None

Approval of January 7, 2020, April 16, 2020, and June 4, 2020 Board Meeting Minutes

MOTION: DR. AZZOLINO MOVED TO APPROVE THE MINUTES OF THE JANUARY 7, 2020, APRIL 16, 2020, AND JUNE 4, 2020 BOARD MEETINGS.

SECOND: DR. MCCLAIN SECONDED THE MOTION.

Discussion: None

VOTE: 4-0, (DR. PARIS-AYE, DR. MCCLAIN-AYE, MR. RUFFINO-ABSENT, DR. AZZOLINO-AYE, DR. DEHN-AYE).

MOTION: CARRIED.

Public Comment: None

Ratification of Approval of License Applications

MOTION: DR. AZZOLINO MOVED TO RATIFY THE APPROVED LICENSE APPLICATIONS.

SECOND: DR. DEHN SECONDED THE MOTION.

Discussion: None.

VOTE: 4-0, (DR. PARIS-AYE, DR. MCCLAIN-AYE, MR. RUFFINO-ABSENT, DR. AZZOLINO-AYE, DR. DEHN-AYE).

MOTION: CARRIED.

Public Comment: None

Ratification of Denied License Applications in Which the Applicants Did Not Request a Hearing

There were none.

Public Comment: Dr. Marcus Strutz, a chiropractor and continuing education provider, addressed the Board and stated the current extensions given to licensees to complete in person CE is creating a backlog of licensees who need to complete their CE, which may not be possible due to social distancing requirements. Dr. Strutz stated that if a licensee were to become infected with COVID-19 at an in-person CE course, they could endanger the lives of their patients. He believed all CE should be completed online. Dr. Strutz said he has been working with Board staff to make changes to the Board's rules and regulations.

Ratification of Approved Continuing Education Providers

MOTION: DR. DEHN MOVED TO RATIFY THE APPROVED CONTINUING EDUCATION PROVIDERS.

SECOND: DR. AZZOLINO SECONDED THE MOTION.

Discussion: There was none.

VOTE: 4-0, (DR. PARIS-AYE, DR. MCCLAIN-AYE, MR. RUFFINO-ABSENT, DR. AZZOLINO-AYE, DR. DEHN-AYE).

MOTION: CARRIED.

Public Comment: None

Executive Officer's Report

A. Administration - Board staffing/organizational chart

Mr. Puleo stated most of the Board staff are working remotely each day to comply with COVID-19 social distancing requirements.

Mr. Puleo reported two vacant positions: a Management Services Technician position in the Licensing Unit and a Staff Services Analyst position in the Enforcement Unit. He stated his hope to have these positions filled by the end of the year.

B. Budget - Fund Condition Update

Mr. Puleo reported the Board's expenditures are outpacing the revenue and based on projected revenue and expenditures, the Board's fund will likely be in a deficit sometime in the next fiscal year. Mr. Puleo advised that a fee increase will likely be necessary within the next year.

C. Licensing - Statistical Trends

Ms. Van Allen reported on the Licensing Trends Report and advised population of licensed chiropractors continues to decline. The number of new license applications slightly decreased in April and May of 2020. Ms. Van Allen noted this may have been due to testing sites closures at the onset of the COVID-19 pandemic. The number of new applications increased in June 2020, likely due to the reopening of testing sites. Ms. Van Allen stated the number of satellite applications has decreased, most likely because many chiropractors closed their offices and/or were not opening new locations, since the pandemic began.

Ms. Van Allen noted approximately 50 percent of licenses renewals were now being completed online, which has significantly reduced workload and processing timeframes. The licensing division has been notifying licensees of their ability to renew online via an insert in license renewal notices and through updates posted on the Board's social media sites and newsletters. She stated her hope that further efficiencies will be realized with the development of the Business Modernization project.

Dr. McClain thanked Ms. Van Allen and asked her if future reports could include trends for other specialties, such as Physician Assistants.

D. Enforcement - Statistical trends

Ms. Walker presented the Board's Enforcement Statistics and noted that the Board closed over 800 cases in the 19-20 fiscal year and received 783 complaints. She stated that the Board has been able to keep the number of pending complaints relatively stable.

Ms. Walker confirmed that there has been an increase in Letters of Admonishment (LOA) because they are being used as an educational tool to address minor violations such as record keeping violations and failure to complete required continuing education. This will hopefully prevent future violations.

Ms. Walker pointed out the addition of the total amount of fine collections for citations to the report which had been requested at the last Board Meeting. The 19-20 fiscal year had an increased number of citations, totaling 110. Ms. Walker stated that the use of citations was to address the more egregious CE violations. She noted the Board has collected about 90 percent of the fines and has set up licensees on payment plans as needed.

Ms. Walker notified the Board that there was a slight decrease in disciplinary cases in the 19-20 fiscal year because there had been a large amount of closures in the 18-19 fiscal year. She stated that many cases were opened in the 19-20 fiscal year and the Board can expect to make more decisions on disciplinary cases in the next three to six months due to an increase in referrals.

Ms. Walker noted additional charts comparing the types of complaints received versus accusations filed. She stated about half of the enforcement cases resulted from CE audits. Most of the remaining complaints pertain to the following: General unprofessional conduct, improper advertising, licensee arrests/convictions, and allegations of fraud, negligence, or incompetence.

Ms. Walker noted the primary violations cited in accusations continue to be: Gross negligence, sexual misconduct, criminal convictions, serious record keeping and billing violations, and general allegations of fraud.

E. OIS - Update

Mr. McCarther provided an update on the Business Modernization project. He stated that in the 19-20 fiscal year, the Board began accepting online payments for license and satellite renewals and began working on a new IT system. He anticipates the new system will be rolled out in late August. He noted the new system will include license applications from a new online user portal. Mr. McCarther said the user portal would be an integrated system that will help streamline internal and external processes. He thanked the staff at the Board, Department of Consumer Affairs (DCA), and Office of Information Services (OIS) for their continued support.

Mr. McCarther noted managers and staff have been trained in the Quality Business Interactive Reporting Tool (QBIRT) and will soon have the ability to generate more useful reports.

Mr. McCarther notified the Board that most staff are teleworking to maintain social distancing during the COVID-19 pandemic. He stated that the staff have been working as efficiently as possible and have been able to maintain services to licensees.

Mr. Puleo thanked Marcus for overseeing this transition and ensuring it went smoothly. He thanked managers and staff for their hard work during the transition to telework as well as a new IT system. He noted the new system will help workload and waste.

Public Comment: None

**Presentation and Discussion on presentation from Dr. Micheala Edwards,
President, American Black Chiropractic Association**

Dr. Michaela Edwards, President of the American Black Chiropractic Association (ABCA), discussed the history of the ABCA and the importance of diversity and inclusion in the chiropractic profession. Dr. Edwards informed the Board of the ABCA's mission: to integrate and improve the outcomes for people of color entering the profession of chiropractic care. She stated that the three focal initiatives are mentorship, leadership, and scholarship. Dr. Edwards advocated the importance of diversity training for chiropractors and instructors and emphasized the need for additional research and data collection to better serve all patient populations and inform curriculum.

Public Comment: None

Moved to Agenda Item 10 - Update, Discussion and Possible Action on the submission of a Waiver Request for California Code of Regulations, Title 16, Division 4, Sections 331.7 (Calendar); 331.11 (Scholastic Regulations); and 331.12.2 (Curriculum)

Mr. Puleo updated the Board on the waiver request submitted to the Department of Consumer Affairs on June 23, 2020 regarding California Code of Regulations (CCR) Sections 331.7, 331.11, and 331.12.2. Mr. Puleo reminded the Board that this waiver was submitted on behalf of the Association of Chiropractic Colleges and the Council of Chiropractic Education (CCE) to assist colleges with transitioning to online teaching methods during the COVID-19 pandemic. Board members and stakeholders will be notified as soon as a decision is received.

Dr. Paris asked Mr. Puleo how quickly the response would be received.

Mr. Puleo stated he hopes to receive a decision within a few business days. He added that Agenda Item 12 relates to proposed changes to curriculum requirements that will remove obsolete requirements. Many technological advancements have transformed the delivery of education since the Board's curriculum regulations were last amended. The existing regulations impede the schools' ability to take advantage of new technology.

Dr. McClain asked Mr. Puleo how competencies will still be met.

Mr. Puleo stated that as the accrediting body, CCE sets the standards for the colleges and determine the competencies that must be met. He added that other governmental agencies provide oversight to ensure all educational standards are met.

Mr. McCarther added that CCE has a qualitative measure for ensuring competencies are met rather than a quantitative one.

Dr. Paris attested to the robustness of each college's method for ensuring competency. He stated that Dr. Craig Little, President of CCE, could provide a demonstration to the Board showing how competencies are met.

Public Comment: None

Presentation and Discussion on presentation from Dr. William Foshee, Chair, American Chiropractic Association, Diversity Committee

Dr. William Foshee, Chair of the American Chiropractic Association's Committee on Equity, Diversity, and Inclusion gave a presentation to the Board on how inequity in culture leads to inequity in health care. He expressed the need for chiropractors to develop cultural agility through enhanced skills and knowledge of the needs of a multicultural society and have a commitment to inclusion.

Dr. Foshee added that chiropractors need to understand and meet the needs of the diverse populations they serve to elevate the health and wellness of communities. Therefore, he asserted, racism and its resulting inequities must be addressed. He reviewed the demographics of chiropractors and stated over 90 percent of chiropractors are white.

Dr. Foshee advised false beliefs and implicit bias may be driving racial and ethnic disparity in the assessment and treatment of pain. He expressed the need for curriculum changes to address the needs of all patient populations.

Dr. Dehn requested that the Board remember to include diversity and cultural competency as a requirement for CE when changes to CE regulations are discussed.

Public Comment: Dawn Benton, Executive Director of the California Chiropractic Association (CCA), thanked Dr. Foshee and stated CCA will be releasing a statement to their members regarding putting together a task force.

Dr. McClain presented a statement urging everyone to stand up against racism and fight for justice and our humanity. She stated the United States has come to a critical moment and the voices of those marginalized will no longer be muted. Dr. McClain advised that racial injustices are a health and safety issue because research has shown that internalizing it manifests in anxiety, depression, stress, and poor overall health. She stated research has also shown that racism and violence can lead to post-traumatic stress disorder (PTSD).

Dr. McClain called the death of George Floyd a reminder of the depth of racism and systemic oppression in this country. She added that racism goes against the Board's consumer protection mission. Dr. McClain encouraged all licensees, providers, schools, and organizations to become educated on implicit bias, cultural differences, macro and micro aggressions, and cultural sensitivity and to put in the work to meet the needs of

communities of color. Dr. McClain challenged these entities to evaluate and have a no tolerance policy for racism, put forth anti-racist policies, and recruit and retain people of color to increase diversity in leadership.

Dr. McClain asserted that as primary health care providers, chiropractors are an integral part of the health care system which is plagued by disparity in treatment of people of color. She asked licensees to challenge the status quo, acknowledge privilege, become educated, and support organizations working towards equity and justice.

Update, Discussion and Possible Action on Proposed Revisions to Curriculum Requirements and Approval of Programs (16 CCR Sections 330 - 331.16)

Mr. Puleo stated the purpose of updating these regulations is to remove obsolete and overly prescriptive requirements.

Mr. Jackson described the changes to CCR Sections 330 – 331.16 and stated that revisions to the regulations aren't considered substantive.

The following sections have been removed:

- CCR Sections 330, 331.4, 331.6, 331.7, 331.8, 331.9, 331.10, 331.13, 331.14, and 331.16

The following sections have been revised:

- CCR Sections 331.1, 331.3, 331.5, 331.11, 331.12.1, 331.12.2, 331.12.3, 331.12.4, and 331.15

The following section has been added:

- CCR Section 330.1

Mr. Puleo added that the mention of “perform minor surgery” was left in CCR Sections 331.12.1 and 331.12.2 despite not being within a chiropractor’s scope of practice because those sections have been replaced are only applicable to applicants who graduated prior to enactment of the new sections.

MOTION: MR. RUFFINO MOVED TO APPROVE THE PROPOSED REGULATORY TEXT REVISIONS FOR TITLE 16, CCR SECTIONS 330, 330.1, 331.1, 331.3, 331.4, 331.5, 331.6, 331.7, 331.8, 331.9, 331.10, 331.11, 331.12.1, 331.12.2, 331.12.3, 331.12.4, 331.13, 331.14, 331.15, 331.16.13, AND DIRECT STAFF TO SUBMIT THE TEXT TO THE DIRECTOR OF CONSUMER AFFAIRS AND THE BUSINESS, CONSUMER SERVICES, AND HOUSING AGENCY FOR REVIEW, AND, IF NO ADVERSE COMMENTS ARE RECEIVED, AUTHORIZE THE EXECUTIVE OFFICER TO TAKE ALL STEPS NECESSARY TO AMEND THE PRECEDING RULEMAKING PACKAGE, INCLUDING THE RENUMBERING OF THE SECTIONS AND ADDITION AND REVISION OF THE AUTHORITY AND REFERENCES FOR EACH SECTION,

INITIATE A REVISED RULEMAKING PROCESS, MAKE ANY NON-SUBSTANTIVE TECHNICAL OR GRAMMATICAL CHANGES TO THE PACKAGE, AND SET THE MATTER FOR HEARING.

SECOND: DR. MCCLAIN SECONDED THE MOTION.

Discussion: None.

VOTE: 5-0, (DR. PARIS-AYE, DR. MCCLAIN-AYE, MR. RUFFINO-AYE, DR. AZZOLINO-AYE, DR. DEHN-AYE).

MOTION: CARRIED.

Public Comment: Ana Facchinato, D.C., Dean of Los Angeles College of Chiropractic, asked what the timeline would be for the proposed changes to go into effect.

Mr. Jackson stated that the process to change regulations is lengthy and could take anywhere from six to twelve months to complete.

Update, Discussion and Possible Action on Pending Rulemaking

Mr. McCarther reported that the following rulemaking files have been submitted to DCA to commence the Initial Phase of DCA's Regulatory Review Process:

- Consumer Protection Enforcement Initiative
- Delegation of Authority to the Assistant Executive Officer

Mr. Jackson reported that the following rulemaking file's next step is to be reviewed by DCA's Executive Office.

- Denial of Application, Revocation or Suspension of Licensure

Mr. McCarther stated staff have been working on the following draft rulemaking files:

- Disciplinary Guidelines & Uniform Standards for Substance Abusing Licensees
- Continuing Education Requirements

Mr. McCarther added that staff are going to reprioritize regulations to work on the curriculum regulation changes. He notified the Board that a Licensing and Continuing Education Committee meeting would occur before the next Board meeting.

Public Comment: None

Public Comment for Items Not on the Agenda

There were none.

Future Agenda Items

Dr. Paris requested that the Licensing and Continuing Education committee discuss alternative learning methods for completing continuing education, through technology for example, to ensure quality instruction and learning outcomes and report to the Board at the next meeting.

Dr. Paris asked the Enforcement committee to discuss ways to use the provided enforcement data to inform licensees and mitigate disciplinary cases and report to the Board at the next meeting.

Dr. Azzolino asked for a future discussion on chiropractic corporate naming so that all statutes are equal across health care professions.

Closed Session

The Board went into Closed Session for deliberation and determinations regarding:

- A. Receive Advice from Legal Counsel Pursuant to California Government Code Sections 11126(e) and 13963.1 Regarding Hugh Lubkin, D.C. v. Board of Chiropractic Examiners, Workers' Compensation Case No. ADJ7361379

Open Session

The Board returned to Open Session.

Adjournment

Dr. Paris adjourned the meeting at 3:45 p.m.
